FIFTEEN CENTS

## Solutions sought to sewer problems

by JANE POLZIN

Village trustees discussed illegal sewer hookups and heard a report on the village sewer evaluation survey being conducted by a Waukesha firm and was heard by Antioch village trustees as they met in committee.

The comprehensive sewer evaluation began in April, 1978 and consisted of field work and analysis, including manhole inspection of about 400 village sewers, according to Jerry S. Kipp, engineer for Donohue and Associates, the surveying firm.

Detailed sources of infiltration, which is usually related to ground water and inflow, which is related to rain flow were made "based on inspections" televising by the company.

VILLAGE OFFICIALS who know the history of the area regarding continuing sewer problems were also consulted, he said.

Through televising, the company "can look about 30 feet into each sewer line," Kipp explained. Because televising does not give a complete look at the entire sewer, he described it as a "snapshot view" while people living in the village have a "movie" or continuing effect of sewer activity.

A cost-effect analysis was done. The total cost for repairs for the public sector of the village will be \$98,000, which is eligible for "federal participation," according to Kipp. Two additional lines would increase that amount to about \$130,000, he added.

"The fact is, the sewer is in bad shape. We don't have to televise every foot to determine how bad it is," he added.

KIPP SAID THERE was a possibility that the village was "treating more storm water than sewer water."

Village trustees were surprised to learn that a government review for the project would take from four to six months.

Mayor Michael J. Haley said the village has had problems communicating with the Illinois Environmental Protection Agency.

"The EPA will tell you anything over the telephone, but they will not write you a letter," he said.

VILLAGE ENGINEER Frank Angelotti said the village and the I.E.P.A. could not come to an agreement concerning design of a sewage treatment plant. The village is seeking a population figure for the plant.

The Northeastern Illinois Plan Commission provided the village with one number, but the commission says the projection cannot be used and will have the correct number in a year and a half. The E.P.A. is awaiting the NIPC number, leaving the village with its hands tied.

"The government agencies have just got us in handcuffs," Haley said. "We're in a bureaucracy that is unbelievable."

The village problem of having foundation drains hooked up to sanitary sewers is "mostly residential," Kipp said.

HE ESTIMATED that 10 per cent of the homes in the village have "foundations hooked up to the sanitary sewer," he said. The number of buildings he estimated that are hooked up total about 1,700, he said.

Walter Shepard, supervisor of public works, said he spoke with the village building inspector and he is willing to begin inspections of sections of the village when the board reaches a decision concerning illegal hookups into the sanitary sewer.

Haley said that the utilities committee of the board "should investigate other communities for fines."

## Antioch News kicks off football contest

The Antioch News will be kicking off the football season with its popular annual football contest.

Prizes sponsored by area merchants will be awarded each week.

First prize is \$15 cash; second prize is a gift certificate for \$10 and third prize is a gift certificate for \$5.

To enter, simply predict the score of this week's Antioch High School football game. In case of ties, winners will be decided on predictions of a tie breaker.

All entries must be in The Antioch News office or postmarked before the kickoff.

Entry blanks will be found on the football contest page sponsored by merchants beginning in this week's Antioch News.

## Former businessman eyes Wis. Congressional seat

Don Walsh, former president of the Antioch Chamber of Commerce and Industry and former owner of Walsh's Four Seasons in Antioch has announced his candidacy for the first district congressional seat in Wisconsin.

Walsh, his wife Lynda and a son now live in Racine.

In making the announcement, Walsh who will run as a Republican candidate, charged present Congressman Les Aspin as being the direct cause of some of the most liberal legislation passed in the nation's history.

"Our Congressman, Les Aspin, has been at the forefront. We must call a halt to these programs before we ruin our country and its economic system," said Walsh.

Walsh, in promising a well organized, intensive positive campaign, said he will walk through every precinct in the first district, bringing his ideas to the voters and taking their ideas to his campaign.

Walsh is the son of Frank Walsh of Petite Lake and the nephew of the late Irv Walsh of

Antioch.

"I have had enough of the massive giveaway programs which result in skyrocketing inflation, high unemployment, and outrageous taxes, said Walsh, "I've had enough of unbalanced budgets, big-government, government waste, inefficiency and mismanagement, I am shocked by the current military position our country is in and the attitude which has allowed it to happen."

Walsh, a staunch advocate of the free enterprise system, pointed to his life history of work, much of it self-employment, saying "as a small businessman who knows what it is like to work hard to earn a living, I believe that I can be a more effective representative for the first district than individuals who deal only in theory."

Walsh appealed for support from all groups and individuals who support his approach to government and economics.

## Chamber membership on the rise

Twenty-five new members have joined the Antioch Chamber of Commerce and Industry since March.

A breakfast will be held at 7:30 a.m. Sept. 19 at the Vault Restaurant in their behalf.

"The breakfast is intended to introduce the new members to the Chamber and existing members to the new members," explained Dixie Sparks, Chamber executive secretary.

Through the breakfast, the Chamber hopes to "express appreciation for the new membership," she added.

The Chamber board of directors have also been invited to the event and some will speak.

Chamber membership consists of "people working together to promote business and industry in Antioch," she said.

For more information call Mrs. Sparks at 395-3381.

DON WALSH

# Antioch residents to pedal for cancer

Pres Reckers, chairman of the American Cancer Society's Eighth Annual Antioch Bike-A-Thon, has an-

nounced that the 1979 event will be held Sunday, Sept. 30, from 9 a.m. to 3 p.m. Prizes to be awarded to top

riders in the 1979 Bike-A-Thon include a 10-speed bike donated by the State Bank of

Antioch, a 5-speed bike donated by The Shoe Box, and a 3-speed bike donated by Four Squires.

Entry blanks are now available in area schools, at the Antioch Village Hall, State Bank of Antioch, The Shoe Box, Four Squires and Antioch Township Library.

The Annual Bike-A-Thon event will be taking place on fourteen separate routes throughout Lake County. The seven-mile Antioch route will start at the Fire Station and proceed west on Orchard St. to David St., then south to Lake St., west to Tiffany Rd., north to North Ave., south to Little Silver Lake Rd. and west to the Fire Station starting point.

Participants in the Bike-A-Thon may begin their ride only from the first checkpoint of the Fire Station, starting at 9 a.m. Other

checkpoints on the route are the Antioch Evangelical Free Church on Tiffany Rd. and the Atwood residence on Deep Lake Rd., south of North Ave.

Riders are encouraged to ride the Antioch route as many times as they are able, but no one can pass through checkpoint one at the fire station after 3 p.m.

Anyone who wishes to participate should obtain as many sponsors as possible prior to the date of the ride. Parents, teachers, friends, relatives, neighbors, merchants and businesses are good sources. They can be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile, and many sponsors in the past have paid more per mile.

Riders may carry a small passenger during the ride, and sponsors for the little one can also be obtained.

Top riders in the 1978 Bike-A-Thon event were Sean O'Connell, first prize, with a total of \$1,029.75; Tim Cook, second prize, with \$718.50; and John Higgins, third prize with \$396.88. John Burnett rode on behalf of the Antioch Jaycees and turned in a total of \$1,029.75 in pledges.

"This event attracts riders of all ages," Reckers said, "and we have always been fortunate to have the total cooperation of the community, including interested citizens, members of the fire department, police department and Antioch Jaycees. If you are planning to take a Sunday ride on Sept. 30 we welcome one and all to make it a cycling event for the benefit of cancer research."

## Construction slow at Petty School

Weather and a strike by air filter workers has caused "some serious problems with the progress of the construction of the W.C. Petty School."

Antioch Grade School Supt. Donald Skidmore reported that the school has "lost at least a month of construction already in August."

"The key right now is the roof," Skidmore continued in his superintendent's notes for the board meeting.

"The roofers need at least four or five more days of dry

weather to complete the roof. When we get those dry days is anyone's guess," he stated. "None of the finishing work can be done until the building is dried out...."

"Adding to our woes is the strike at American Air Filter Corporation," he reported. "When they do return to work it will be another four to six weeks before classroom units will be delivered. That in itself is not too bad, except that this will delay finishing work, plumbing and electrical."

PRES RECKERS

## Ferrier, Effenger installed

A large attendance witnessed the joint installation of officers of the Antioch Legion post and the Zion Legion post and their auxiliaries.

The tenth District installing team of the American Legion officiated the exercises. Fames Ferrier was installed as commander for the Antioch post and Mildred Effenger as president of the Antioch auxiliary.

The commander and senior vice commander of Antioch VFW Post 4551 were guests of the affair.

James Sertic, Antioch's Boys State candidate, gave a talk on his experience as a member of the government of the State of Illinois while at Boy's State.

## Personnel hirings approved

Three hirings and one resignation were approved by the Antioch Grade School Board.

Mrs. Joannie Paul was hired as a library aide at Oakland School and Mrs. Sharon Rench was hired as an Antioch Grade School kindergarten aid.

Mrs. Sally Ann Denny was hired as an assistant for the Title IV program.

The board also accepted the resignation of Shirley Robinson, a cook's helper at Antioch Grade School.

## Oddsden death ruled accidental

by JANE POLZIN

Accidental death was the verdict of a Lake County coronor's jury for the death of Chris Oddsden, who drowned when he was pulled into an open sewer drain during heavy rains.

A village employee had removed the grate which was apparently filled with debris. Joe Huber, a public works crewman, removed the grate to speed water through the intersection, which was flooded with more than three feet of water, according to testimony by Antioch Police Dept. Lt. Thomas Fisher.

Oddsden drowned at the intersection of Oakwood and North Ave. when he stopped his car, walked behind it and was pulled into the swirling water of the open drain.

Deputy Coronor Barbara Richardson said she was notified that Huber was on vacation, so he did not testify. Mark Ericson, a public works crewman who almost suffered the same fate when he tried to reach a rake to Oddsden, was on vacation.

A witness to the accident, William Ray, has moved to Missouri. His testimony was read to the jury according to a police report.

**PUBLIC WORKS**  
crewmen Don McGrain and Ericson were both raking grates to remove debris nearby when James Stroschein, 17, a companion in the Oddsden car, began yelling.

Ericson "ran over toward the sewer and could not see down it due to the water," Fisher said. "He poked a rake down" so if someone was pulled into it they could grab the handle, he added. There were no barricades surrounding the open drain "at that time," Fisher reported.

According to Stroschein's

testimony, the two were "coming back from a small party." The back wheel of the auto kept spinning, so Oddsden told him to keep the car running while he exited the vehicle.

"I heard him make some strange noises," Stroschein said. When he turned around Oddsden was "up to his shoulders in water. By the time I got out of the car it was too late."

According to an autopsy, the cause of death was drowning. Customary blood and urine analyses revealed Oddsden was "above the legal limit for intoxication," the deputy coronor reported.

Phone (312) 395-0800

Grass Lake Road, Antioch, Ill.

(1 Mile West of Route 59)

HOURS: Monday-Friday 7:30 a.m. to 5:00 p.m.  
Saturday 7:30 a.m. to 3:30 p.m., Sunday Closed

50 Years ago: SEPTEMBER 12, 1929

An Antioch girl, Jeanette Whited, the five-year-old daughter of Mr. and Mrs. M.C. Whited, won the distinction of having her picture in the Milwaukee Sentinel, all because she is "cute," as a Milwaukeean expressed it.

While her mother and Mrs. John M. Blackman were visiting the Y.W.C.A. exhibit at the Wisconsin State Fair, one of the men in charge of that booth came to the conclusion that Jeanette was a mighty cute girl and chose her as the official advertiser of that display.

The three cent tax imposed by the State of Illinois may be deducted by individuals on income tax returns.

His knowledge of chemistry and the fact that he was an ardent Emerson booster probably won for Ray Pester appointment to the position of inspector of gasoline and oils in Lake and McHenry counties.

A new and smart conceit for fall is to wear two fox fur neckpieces - one white and the other silver fox.

The first function on the social calendar at Antioch High School will be an initiation ceremony for the freshmen sponsored by the seniors.

Mrs. Murrey and Mrs. Robert Wilton will have charge of the preparations of the cafeteria lunches at the high school this year. The menus will be outlined by Mrs. Richey, home economics teacher.

The girls who are enrolled in gym have selected green uniforms for their physical culture garb.

Fall is the best time to clean out the hen house. Start by removing all equipment, then wash and disinfect it. Sweep and scrape up all dirt and filth, then brush or spray whitewash on walls, ceilings and floors.

30 YEARS AGO: SEPTEMBER 8, 1949

The Antioch Rescue Squad administered first aid to a newly married couple who escaped death or serious injury when their Frazier sedan was forced off the roadway and rolled over many times. Their car was a complete wreck and was left here while friends came after them.

Their car was full of wedding gifts which served as a protection to them as they rolled over and over. The identity of the motorist who was driving in the middle of the highway without lights causing the accident was not learned.

Opening of St. Peter's parochial school was delayed when the sewer to the building was incomplete.

10 YEARS AGO: SEPTEMBER 11, 1969

A long-haired Antioch High School junior won the first round of a court suit to return to school without getting a haircut.

Private citizens who monitor radio calls are within their legal rights, so long as they do not use the information for personal gain or profit. Jay McClaskey, Jr., director of communications for the Lake County police radio station, says there have been at least two instances involving tow truck operators who attempted to use police calls to increase business.

## Antioch Open deadline Sept. 26

Registrations are already coming in for the Antioch Open Golf tournament.

Early registrants are hoping for an edge against the tough competition expected in the tournament sponsored by The Antioch News, Lakeland Newspapers and Harbor Ridge Country Club.

All male amateur golfers in the Lakeland area are eligible to compete Saturday and Sunday, Sept. 29 and 30 at Harbor Ridge Country Club, Rte. 59 and Grass Lake Rd.

PUBLISHER WILLIAM Schroeder said the 36 hole competition will feature four divisions determined by handicap—Championship, 0-8; Class A, 9-13; Class B, 14-19 and Class C, 20 and over.

Deadline for entries is Sept. 26. Further information can be obtained by calling Jim Urban, Harbor Ridge pro, at 395-3004.

The entry fee is \$25, which covers green fees, trophies and prizes.

A COMMITTEE has been named to handle arrangements.

## Taws & Paws set square dancing

The T-P Taws & Paws will begin square dance lessons on Thursday, Sept. 20, at Lake Shangri-La Community Hall, 22112 - 121st Street (Kenosha County), Lake Shangri-La Woodlands.

This will be a free night of dancing for all adults. This is your chance to try square dancing and have an evening

of fun too. Caller-Instructor for lessons is Ted Palmes, the club caller. The dancing will begin at 7:30 until 10 p.m. Light refreshments will be served.

The club dances regularly on the first, third and fifth Fridays of each month at Lake Shangri-La Community Hall.

# Gasoline storage can be dangerous

Attempting to store gasoline anywhere other than in the fuel tank of your auto or boat or an approved container is a dangerous and deadly proposition, according to Jimmie Quedenfeld, captain of the Antioch Fire Dept.'s Fire Prevention Bureau.

Quedenfeld warns motorists that attempts to store gasoline or siphon it from one auto to another have led to a dramatic increase in the number of gasoline related fires, explosions and poisonings.

It is especially dangerous to carry filled gas cans in the trunks of autos, where they may explode like a bomb if the auto is hit during an accident, the Fire Prevention Bureau warns.

If gasoline must be stored,

Quedenfeld recommends that the following procedure be followed:

—Store gasoline away from living quarters and heat sources, never in a house, apartment or auto.

—Store gasoline only in heavy steel containers manufactured for that purpose.

—Never refuel power equipment such as lawn mowers or chain saws while the engines are running or still hot.

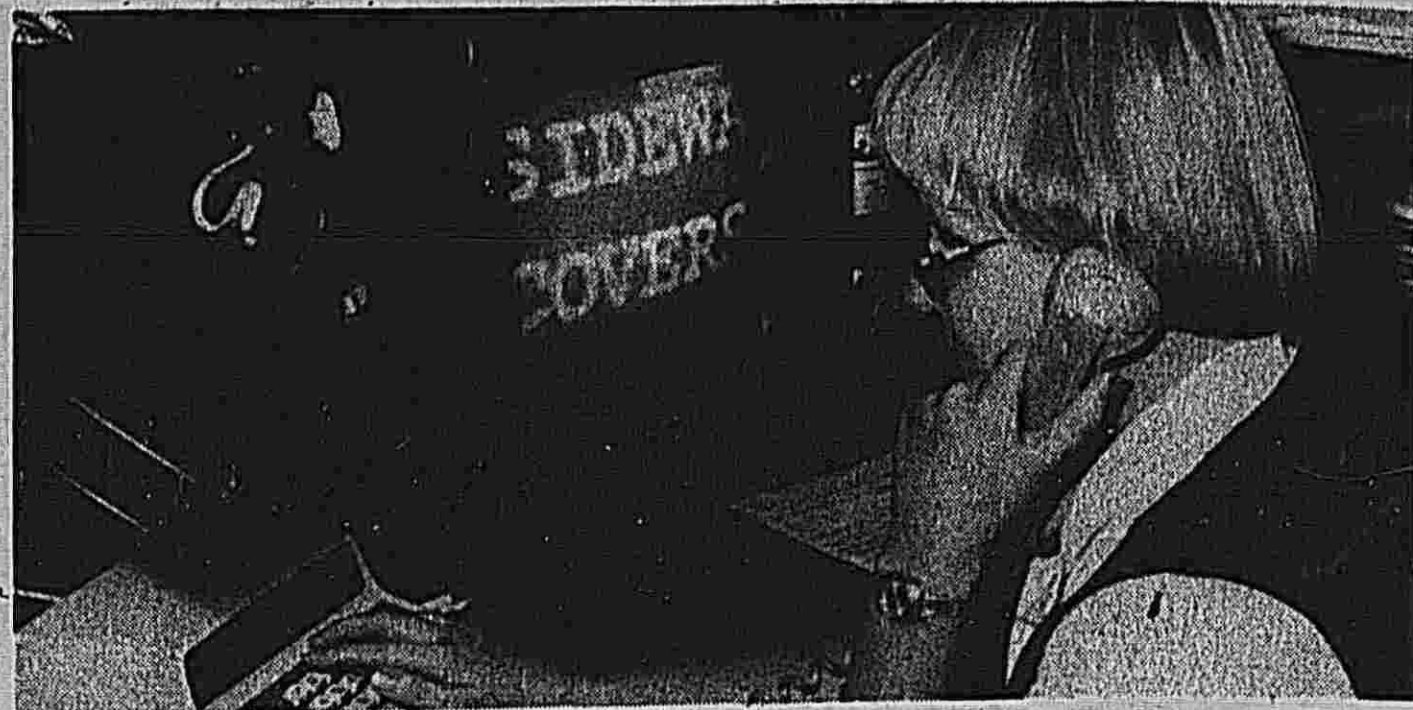

—Remove and wash clothing as soon as possible after gasoline is spilled on it. Even gas-soaked clothing that appears to be dry can be dangerously flammable.

Further precautions should be taken to be sure you adhere to the rules and regulations dealing with

quantities of flammables that can be stored. The following is extracted from the Red Book, the guide to gasoline and volatile oils as provided by the state fire marshal's office.

"For personal or private use, not to exceed five gallons of crude petroleum, benzene, benzol, gasoline, naphtha and their compounds may be kept on hand if stored in an approved safety container, remote from flame in open fire. Such storage must be in a room with direct ventilation to the outside and preferably in an outbuilding or garage."

Quedenfeld encourages all persons having any questions pertaining to the proper use of or the storage of gasoline to please call the Fire Prevention Bureau.

**TAKING AN ORDER** — Laura Oftedahl, sales manager at Frostee Foam, computes cost of order for customer waiting on phone. Screen with enlarged letters enables Miss Oftedahl, who is visually impaired, to carry on work independently. — Photo by Jane Polzin.

## YOUNG PERSONS IN INDUSTRY

# Sales are success for Laura Oftedahl

(Editor's note: Following is the continuation of a series acknowledging the efforts of young people in industry in the Antioch area. It is being done in cooperation with the Industrial Committee of the Antioch Chamber of Commerce and Industry).

—by JANE POLZIN.

Her grandfather started Frostee Foam, the family business, in the 1940's and Laura Oftedahl is continuing the tradition as sales manager for the company.

The friendly, blond haired 27-year-old recalled that the business was discussed at the supper table when she was a child.

"The fact that it's a family business really adds to it," she said. "We really try to give good service."

Frostee Foam, located at the corner of Ida and Anita Sts., makes foam packaging and industrial insulation. It also sells foam to steel foundries for use in their casting process.

**AS SALES MANAGER,** Miss Oftedahl handles all telephone orders, and inquiries and determines pricing for everything sold. She also processes orders and is "the link between the customer and production employees."

As she spoke of her work, she received many phone calls. One customer wanted insulation for an 8 foot diameter tank, she explained while on hold.

Most of the calls she takes are orders for insulation from Chicago, she said. The company sells mostly in the

Midwest because there is a high freight rate for shipping material as light as foam out of the area.

Miss Oftedahl learned the business inside and out from her high school summers at work in the factory and her college summers spent working in the office.

**HER JOB** background isn't limited to the family company, since she was a disc jockey in West Palm Beach, Fla., as well as in Racine and Beloit, Wis.

A communications major and psychology minor who attended the University of Illinois at Champaign, she has found the skills learned at college to be helpful in her work.

Her communication work in school "really helps out with all the telephone work I do," she said. Miss Oftedahl spends about 60 per cent of her time on the phone each day.

"The main thing is communication," she explained. "You have to be pleasant and diplomatic." She enjoys talking and meeting with people, she added.

**THE WORK LOAD** each day is "very sporadic," she said. "You can never guess what's going to happen."

The position of sales manager also requires "quite a bit of math." Miss Oftedahl said that because the company does custom work and has only a few stock items, organized pricing is important.

Besides beginning an organized pricing system, she made a set of samples of the four kinds of foam

the company forms, "so they (customers) know what kind of material to specify when they call."

Proud of her work and the 12 employee company, Miss Oftedahl said that "the service and quality is superior to some larger companies."

**HOBBIES AND** community service dominate the spare time of this active person.

She enjoys swimming and belongs to a bowling league and a fitness center.

"A huge record collection" is a major hobby and she especially likes to listen to "mellow music" and oldies.

Miss Oftedahl also has lots of plants in her nearby home.

**TAKING UP THE** rest of her spare time are public speaking engagements, which have included most of the northern Illinois' Lion's Clubs.

She speaks at the clubs about the Leader dog program and brings her dog, Casey, who is "like a seeing eye dog, but is from a different school."

"Lion's Clubs all over the world pretty much finance Leader Dog schools," she said.

Her dog, which she has had since last September, enables her "to get around on my own," she said.

A life-long Antioch resident, Miss Oftedahl works with her mother, who is also employed in the office and her grandmother, who works part time. Her father is owner of the company.

**ESTIMATING** — Laura Oftedahl, featured as young person in industry, figures cost estimates for an order at Frostee Foam, the family business. — Photo by Jane Polzin.

Antioch, Illinois 60002

# 28 attend ACHS 1939 reunion

Forty years after graduation, 28 of the original 66 members of the Antioch class of 1939 met at Dave's Triangle, Twin Lakes.

Wives, husbands, friends and members of other classes brought the total to 52 in attendance. Fifteen members of the class are now deceased, so attendance was slightly over 50 per cent. The only previous reunion was held in 1959.

Jim Maplethorpe, Antioch, vice president of the senior class, served as master of ceremonies. The other officers, Charles Rothers, president, (Arlington Heights), Janice Kapple, secretary, (now Mrs. Rothers), and Arlene Krahn, Treasurer (Wilmet), were also present.

Maplethorpe called on each graduate or guest to give a little resume of his or

her life, and one member of the Class of '42, "Fanny Farkle," surprised us with some very comical anecdotes.

Mildred Horan (Mrs. Jack Effinger) helped Maplethorpe with the distribution of awards given to various class members. Among these were Clifford Schon-scheck, who came the farthest distance, 25 miles west of St. Louis, Mo. and John

Horton, who had the most children. Jean Brett Homan and Russell Homan have been married the longest, with Florence Verkest Hanke and Otto Hanke running a close second, in October and November of 1939. Jean, Russ, and Florence are members of the class.

Maplethorpe then read the Class Prophecy, "To Be or Not To Be . . ." The only things predicted which came

true were that Roger Brogan married Veneita Philippi and Arlene Krahn married Robert Horton. Horton died just about a month ago. Jack Effinger was also in the class, so five couples in the group were married.

Replies to the questionnaire sent with the invitation were received from four teachers and eight classmates who could not attend the reunion.

Our former English teacher, Miss Cornelia Roberts, was there for a short time before dinner, but could not stay for the evening.

After a delicious buffet dinner, the group enjoyed dancing to the music of The Rogues and visited with each other. Otto Hanke rendered a poem, "Me Mudder" and those who remembered the words joined in singing the Antioch Loyalty Song, which was written by Miss Roberts and Hans von Holwede, who sent greeting from Saratoga, Cal.

After discussion among many of the classmates, the suggestion was made to the committee to meet again in five years. The members of the committee, Frances Beimer Schaetten, Mildred Horan Effinger, Lorraine Laursen Blackman, Charlene Jorgensen Hook and Jim Maplethorpe, agreed.

Meanwhile, a detailed report of the reunion will be compiled and mailed to all members of the class and faculty who replied to the invitation. In 1939, there were 14 teachers, one principal and one secretary at the high school and no buses for transporting students. (Believe it or not, some of us walked to school), a spokesman wrote.

## All about town

by CARI O'NEIL

For a tasty change of pace, stop in and have a brew and a bite to eat at Great Concoctions, Rte. 83 & Grasslake Rd., Antioch. Jim and Lois, its brand new owners, are looking forward to meeting and serving you from numerous zesty selections on the menu. Great Concoctions is open for lunch and dinner. (Happy Hour too!) Be sure to give it a try.

Hurricane David just recently blew in Charlie and Mitzie Cermak from Singer Island, Palm Beach, Fla. They are spending some time with family and friends here in Antioch. Most months we can all envy the Cermaks their climate, however, this proved to be an excellent time to go northward — weather couldn't be finer in Lake County.

Antioch's State Farm Agent, Dick Witt, will be relocating his office prior to Oct. 1. Dick will be setting up shop at 894 Hillside, opposite Antioch Shopping Plaza to the west.

Habitat Builders, John Blatnick and Ralph Antonelli, are taking care of construction work on what should prove to be a homey and convenient locale for Dick's neighboring clientele. This site will also offer a large parking area and an additional office space for another rental.

Stopped into M & M Sandwich Shoppe on Orchard St. for a refreshing new though in fast food lunch. Mr. Pratt, owner, says "design your own sandwich," meaning you can almost literally arrange your taste buds for the day. Have a foot long sub or a simple ham on rye bursting with flavor. For us working gals, a delectable deli is convenient for those easy evenings out of the kitchen.

Dan Dreyer of Lake Villa has outgrown operating Awards by Kaydan from his home, and has joined the merchants of Main St. in Antioch. You can't resist feeling enthusiastic about their family venture after seeing their display and discussing ideas for the future.

Aside from quality engraving craftsmanship, which Dan will be doing in-house engraving, Kaydan is expanding upon their gift selections which include fine monogrammed crystal to a forthcoming line of jewelry. Welcome to Antioch.

## Rte. 173 accidents claim three lives

Two Rte. 173 traffic accidents took the lives of three people.

John J. Stitch, 35, of Lake Geneva and Jamie L. Ormson, 21, of Paddock Lake died when Stitch's car caught fire after it struck a cement mixer on Rte. 173, east of Wilmet Rd.

Ormson's vehicle sideswiped a recreational vehicle near Rte. 173 and Lincoln Dr.

The driver of the cement truck, Charles W. Smith, 59, of 25986 W. Rte. 173, suffered a heart attack while trying to put out the fire in Stitch's auto.

A passenger in the Stitch car, Mary A. Whitaker, 38, of Elkhorn, was treated for injuries and released from McHenry Hospital.

Funeral services for Ormson were held Sept. 6 at St. Francis Xavier Church, Brighton and burial was held at the church cemetery.

He was employed by Antioch Auto Parts and was a member of the St. Francis Xavier Church.

Survivors include his parents, Lee G. and Darlene at home; a brother, Mark; three sisters, Catherine, Janelle and Cheryl; his grandmothers, Mathilda Ormson of New Lisbon, Wis. and Mrs. Marion Micuch of Nostow, Wis. and a

greatgrandmother, Ethel Tessmer, also of New Lisbon.

Ormson was preceded in death by his two grandfathers, Oscar Ormson and Everett Tessmer.

Funeral services for Charles W. Smith, of Antioch, were held Sept. 7 at the Strang Funeral Home. The Rev. Stephen Williams of the Antioch United Methodist Church officiated. Interment was at Hillside Cemetery.

Smith, a life-long resident born in Antioch, served in the U.S. Army, W.W. II and

was awarded the Bronze Star for Valor.

He managed Smith's Float Inn Park on Hwy. 173 near Antioch for several years and also worked as a truck driver for Thelen Sand and Gravel for 35 years. He was a member of Teamster's Union Local 301 in Waukegan.

He is survived by his widow, Helen; three sons, Capt. Bernard Smith, with the U.S. Air Force in Plattsburgh, N.Y., and William and Bradley Smith, both of Antioch; a sister, Mrs. Cheryl Weiss, of Antioch and four grandchildren.

Routes 21 and 60

Vernon Hills, Illinois

## Combined clinic date is Sept. 19

A combined immunization, hearing and vision screening clinic will be held from 9-11:30 a.m. Wednesday, Sept. 19 at St. Peter's Church Hall.

The clinic will provide an opportunity for parents to have their children immunized against polio, diphtheria, whooping cough, tetanus, measles, mumps and rubella.

All pre-school and school age children are welcome.

Parents are asked to bring their children's past immunization records so that current immunization needs can be determined. If the child has an immunization letter from the school nurse, it should also be brought to the clinic.

For further information on the immunization program, call the Lake County Health Dept., Communicable Disease Program at 689-6761.

In addition to having their children immunized, parents are urged to have their children's hearing and vision tested. Early identification of possible hearing and vision problems may prevent medical and/or learning disabilities.

Children with possible hearing and vision problems will be referred to appropriate resources so that corrective measures may be prescribed.

For additional information, call the Hearing and Vision Program, Lake County Health Dept., 689-6713.

### PIN-POINT COVERAGE

When Antioch business persons advertise in The Antioch News they know they are getting pin-point coverage because The News covers only the Antioch community.

### "FAMILIES WIN IN COURT"

The courts have come to the aid of those who choose to have a parent live with them. A recent ruling forced the IRS to make it easier to claim a dependency exemption on your income tax returns for someone you are supporting and who is on medicare.

Each year, when you file your income tax return, you claim exemptions. You tell the IRS how many people you support. You are able to claim an exemption for someone if a list of conditions is met. Briefly, the conditions regarding someone you want to claim as a dependent on your income taxes are as follows.

- 1) There are limits on his "gross income".
- 2) He must have one of a list of relationships to you; child, parent, uncle, niece, etc.
- 3) He must not have filed a joint return for the year in question. He may have filed an individual return.
- 4) There are citizen and residence requirements.
- 5) You must have furnished over half of his support for the year. What this means is that his income from all other sources cannot exceed what you furnished for him.

The last condition is the one we are concerned with here. Naturally, some types of income counts and some types don't count. Interest and dividend type income counts. Social security payments count. Wages and other earned income count. Part B medicare payments don't count. Insurance payments in general don't count. The courts have recently forced the IRS to change the status of part A medicare payments. That's why I'm writing this column. Up to now, part A medicare payments counted against you when totalling up to see if you provided more than half of a person's support. The courts have forced the IRS to accept the exclusion of these payments. From now on, you can claim someone as a dependent on your income tax return if you fit all the conditions and you don't have to count medicare part A payments as part of his income. You can exclude part A payments in determining if you provided over half of his support for income tax purposes. In fact, the decision is retroactive. You may be able to file amended returns and claim such an exemption for 1976, 1977, and 1978.

When the person you want to take the exemption for is your parent, be careful of the unit rule. If both your parents are alive, you must treat them as a unit for purposes of tax exemptions unless you can prove otherwise. You figure their joint total income and your total support to both. You either get both exemptions or neither.

## Obituaries

### Edward A. Steffes

Funeral services for Edward A. Steffes, 71, of Chicago, were held Sept. 8 at St. Patrick's Cemetery, McHenry.

Mr. Steffes died Sept. 5 at Bethesda Hospital, Chicago. He had lived in Chicago for many years and worked for the U.S. government as a welder for several years.

He was preceded in death by his wife, Frances, in 1976. Survivors are one stepson, Joseph Scheib of McHenry; and two stepdaughters, Mrs. Frances Libby of Kansas City, Mo. and Mrs. Louise Bottino of McHenry.

Arrangements were handled by Strang Funeral Home, Antioch.

### Thorvald (Tom) Ostrem

Memorial services for Thorvald (Tom) Ostrem, 84, of Fontana, Calif., formerly of Antioch, were held Sept. 8 at the Strang Funeral Home, Antioch.

Mr. Ostrem died August 30 in California. He was born in Norway and had lived in Antioch before moving to California. He was a retired construction worker.

He was preceded in death by his wife, Anna, in 1974. Survivors are one stepson, Ralph Femer of Batesville, Ark.; one brother; and four sisters.

Interment was in Hillside Cemetery, Antioch.

### Alma Bobzien

Private funeral services for Mrs. Alma Bobzien, 88, of Zion, formerly of Rock Lake, were held at the Strang Funeral Home, Antioch.

Mrs. Bobzien died Sept. 5 at Victory Memorial Hospital, Waukegan. She had lived in Rock Lake for many years. She was a member of the Antioch Woman's Club and the Antioch chapter of the American Assn. of Retired Persons.

Survivors are one son, Dr. Fred Bobzien of Antioch; and four grandchildren. She was preceded in death by her husband, Fred, in 1933; and by one brother and one sister.

Contributions may be made in her name to the cancer fund.

### Boyer Nelson

Memorial services for Boyer Nelson, 89, of San Diego, Calif., formerly of Antioch, were held Sept. 10 at the Strang Funeral Home, Antioch.

Mr. Nelson died Sept. 5 in San Diego. In 1924 he opened and organized the First National Bank of Antioch. He was a cashier at the bank until 1935 and then in 1935 until 1976 he owned and operated Nelson Real Estate and Insurance Co. in

Antioch. He had lived in San Diego since 1976. He was a member of Sequoia Masonic Lodge 827 AF and AM in Antioch and was a member of Antioch United Methodist Church.

He was preceded in death by his wife, Vera, in 1966; and by four brothers, Caryl, Earl, Ralph and Harry; and by one sister, Nina Nelson. Survivors are three sons, Harold, Harry and Wendall, all of San Diego; one sister, Mrs. Hazel Peters of Hampton; one brother, Leo Nelson of Farmington, Iowa; two grandchildren; and two great-grandchildren.

Interment was in Hillside Cemetery.

### Charles Atwood

Funeral services for Charles A. Atwood, 86, of Fox Lake, formerly of Antioch, were held Sept. 8 at the Strang Funeral Home, Antioch.

Mr. Atwood died Sept. 5 at his home. He had lived in Antioch from 1921 to 1968 when he moved to Fox Lake. He was a charter member of Antioch American Legion Post 748. He was also a member of the Alden Kindred of America. He worked at Abbott Labs retiring in 1958.

He was preceded in death by his wife, Elaine, in May; by one son, Lawrence in 1928; by two half-brothers, John and Robert; and by two half-sisters, Theresa and Minnie. Survivors are six sons, Harold of Benton Harbor, Mich., James of Waukegan, Howard of Beloit, Richard of Gurnee, Ray of Antioch and Thomas of Oak Park; one daughter, Mrs. George (Mary) Boyd of Antioch; one sister, Mrs. Eva Alm of Benson, Minn.; one half-sister, Elizabeth Burk of Brainerd, Minn.; 18 grandchildren; and four great-grandchildren.

Burial was in Hillside Cemetery.

# Your Guide to Fine Dining and Excellent Entertainment

## THE Entertainer

### Stained glass repair session set at CLC

Stained glass window repair will be the topic for discussion at the Monday, Oct. 1, meeting of the stained glass guild. Richard Mathis of Poor Richard's Stained Glass Studio in Waukegan will demonstrate repair techniques and answer questions from the audience.

Plans for a field trip to the Second Presbyterian Church in Chicago, which contains 14 stained glass windows, some by Tiffany, will also be discussed.

The meeting, which is free and open to the public, will

be held at 7:30 p.m. in the conference room, building one, at the College of Lake County in Grayslake.

For more information on the Oct. meeting or the stained glass guild, call Donna Varner at 395-1452.

### Art show is Sept. 16

The students of Wava M. Barnes will exhibit their pictures, at 760 Main St. Sunday, Sept. 16, from 1-4 p.m.

This is the fifth exhibit of the works of her pupils. She has taught Oil Painting here since Sept., 1971.

According to Mrs. Barnes this will be the last of her exhibits as she is now 75-years-old and doesn't feel she can go on with them. She will continue to teach.

At present she has 40 students from the age of 8 to 88. Pearl Randolph is her oldest student. She has taken lessons since Mrs. Barnes started.

Mrs. Regina Hora was her first student. She has recently moved to Chicago.

Mrs. Barnes teaches in her apartment at 760 Main. The exhibit will be on the lawn across from the library.

Some of the artwork will be for sale.

### Dancers to hold celebration

The Paddock Lake Square Dance Club will open a new square dance season Sept. 13 with the dance theme, "Happy Birthday Gladys."

All interested square dancers are invited to join Gladys and the club for an evening of fun and refreshments. Caller for this celebration will be Delores Laufenberg.

The dance will be held from 8 to 10:30 p.m. at the Paddock-Hooker Lake Clubhouse, 250th Ave. in Paddock Lake.

### Lights to go out in 'Black Comedy'

Only the actors will be in the dark when the lights go out during Black Comedy, the British play by Peter Shaffer that will be opening PM&L Theatre's 19th season.

The show, directed by Rae Johnson, will be performed Sept. 22, 28, 29 and Oct. 5 and 6 at the PM&L Theatre, 877 Main St., Antioch. Curtain time is 8:30 p.m.

Black Comedy is a comedy about the romantic and career problems of a young sculptor, Brindsley Miller, played by Philip Jaeger, Zion.

During the play, lighting reverses reality, so when a fuse blows, the stage, which is totally black becomes fully lighted. However, the actors now stumble about in the "dark." Pam Guardi, Waukegan, plays Carol Melkett, Brindsley's debutant fiancée while Pam Quint, Antioch, plays Clea, his ex-mistress, who shows up at just the wrong moment.

Another who shows up at the wrong moment is Harold Gorringer, Brindsley's next door neighbor. Brindsley just happens to have stolen all of Harold's antique furniture. Others who arrive during the evening to help confuse the situation are Miss Funnival, a nutty neighbor afraid of the dark, played by Lillian Allen, Trevor; Colonel Melkett, Carol's stuffy father, played by Don Beveroth, Salem; Schupanzigh, the "little man" from the electric company, played by Larry Bersie, Antioch and George Bamberger, an eccentric millionaire played by Frank DiMarco, Zion.

For reservations call 395-3055.

Remaining shows of the season are The Miracle Worker in November, The House of Blue Leaves in February, Born Yesterday in April and The Hollow in June.

Season tickets are on sale now for \$15 per ticket and can be obtained by mailing your check, name, address and phone number to PM&L, Box 23, Antioch, 60002 before the opening of "Black Comedy." Box office prices are \$3.50 for adults and \$1.50 for students.

### PM&L to hold banquet for talented members

The PM&L Theatre will be honoring talented members at its annual awards banquet Saturday, Sept. 15 at Andre's Steak House in Richmond.

The annual banquet is held "to celebrate... accomplishments and encourage... future endeavors," according to Aileen B. Biel, banquet chairman.

"We are now entering our 19th season—second in duration in the whole of this area," Biel wrote in an announcement for the event.

"We can hold our heads high. However, we could never have attained this success without the support of our season ticket holders, advertisers, friends and hard working members."

## Gosmic Signs

### AQUARIUS

(January 20 - February 18) There may be a need for confrontation with someone who owes you something. Lost items and misunderstandings could be unnerving.

### PISCES

(February 19 - March 20) Improved domestic atmospheres let you enjoy social gatherings and do-it-yourself glamorizations.

### ARIES

(March 21 - April 21) A secret desire for excitement and drama could lead to accident-proneness, private temper tantrums or impulsive responsibility.

### TAURUS

(April 22 - May 21) Major developments that can bring an increase in your overall security are foreshadowed this week. A realistic attitude is needed.

### GEMINI

(May 22 - June 21) Ties of friendship can mean more than just moral support; teamwork may have profitable results.

### CANCER

(June 22 - July 23) You can rely on other people to help you over hurdles and eliminate red tape. Advancement is slow but steady.

### LEO

(July 24 - August 23) Secure growth is possible through career activities in connection with home and property, trips or contractual action.

### VIRGO

(August 24 - September 23) Erratic, sudden situations may arise in connection with a cohort at work. You could appear to be abrupt or arrogant.

### LIBRA

(September 24 - October 22) Ideas and the will to carry them out come to you now. The promise of accomplishment could be lost in your haste to get things done.

### SCORPIO

(October 23 - November 22) Calculated risks and speculations can be taken under the perfect circumstances to launch a new venture, take out a loan—or even get married!

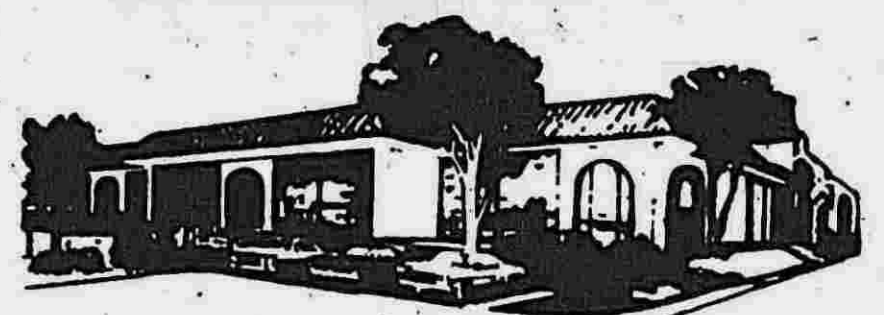

### SAGITTARIUS

(November 23 - December 22) There is a need to clarify terms and decide on a plan of attack. Meetings with professional advisors are valuable.

### CAPRICORN

(December 23 - January 19) Your enthusiasm can help you handle necessary details and carries you smoothly through the week.

## Letter To The Editor

### EXPRESS THANKS

Editor:

Clara and I would like to express our thanks publicly, to the many thoughtful Antioch people who helped us after our tragic accident Sept. 4 on Rte. 173, just east of the rail crossing.

The police were not only helpful but concerned, as was true of the fire department. It was hardly time to meet childhood acquaintances, but Tod Mapleshorpe was there to express his concern.

And I am not sure we could have kept our composure without the sympathy and help of Bruce Dalgaard and Mannel Goode. And Lena and Ed Palinski opened their home to us, until we can get

our affairs in order. The people in the vicinity of the accident helped Clara (was their name Taylor?), furnishing a resting place and use of their facilities.

All in all, these and other Antioch folks have been so very kind and thoughtful. It's still a fine community, just as it was when Clara and I grew up here over 40 years ago.

We are grateful for having been spared serious injury, but are saddened to learn that the young man in the other vehicle was not so spared. May we express our sincere sorrow and condolences to his friends and beloved family. Thank you.

Bob Dickson  
Denver, CO.

## Hill Behan opens at Rte. 83 location

Hill-Behan Lumber Co. is celebrating the grand opening of their new Lake Villa Building Material Center.

Gino Montanare, store manager, would like to welcome everyone to come in for a free hot dog and Coke and to meet Hill-Behan's Lumber Jack in person Saturday, Sept. 15.

Montanare would also like to remind everyone to register for free door prizes including a big 25 inch color television. All eight Hill-Behan locations will be participating in the celebration with super savings on items for do-it-yourselfers and professionals.

The huge 12,000 square foot facility is located on 829 N. Milwaukee Rd. (Rte. 83 and Petite Lake Rd.) and is the largest retail outlet in the Chicago division, giving the ever-growing do-it-yourself population freedom to look around and examine products before purchasing them.

The store is clean and spacious, featuring wide aisles and a large variety of products from the very basic building needs like lumber and plywood to lovely decorative items including

complete kitchen and bath centers.

The 67-year-old St. Louis based company is extremely proud of its newest facility which is the 31st location nationally. Besides the eight Chicago area centers, there are 10 Louisiana-Mississippi locations and 13 St. Louis area outlets.

Hill-Behan has also broken ground on a new building material center, in Fairview Heights, Ill., just across the Mississippi River from St. Louis.

**ST. PETER'S WOMEN**  
Committee appointments for the St. Peter's Womens Club follow. Chairmen are Helen Graysck, liturgy; Betty Letkey, school representative; Jerry Dost, community services, Betty Hope and Ann Kelly, program; Florence Eckert, wake; Loretta Schiffmann, social; Barbara Carpenter, membership; Margaret Belognia and Millie Milkowski, altars; Jean Benes, game refreshments; Millie Milkowski and Betty Sheehan, meeting refreshments; Mary Franzen, publicity and Vickey Bock, Bazaar.

## School openings smooth

The opening day of school went smoothly at Antioch grade schools, according to Donald Skidmore, grade school supt.

"Generally speaking, we had a good opening day of school," he stated. "Transportation problems were minor...."

"A large number of children were registered by their parents on the first day, which is probably normal," Skidmore wrote in his school board superintendent's notes. "Whether or not our centralized registration contributed to this is difficult to determine."

"We did receive a few negative comments about the centralized registration, presumably from parents who only had children in one school," he continued.

"I will attempt to follow up on the complaints to determine if we would want to continue a centralized registration or to return to registering at each separate school."

"Perhaps it's a case of having more families with children at only one school as opposed to families having children at more than one school," he said.

## Student photo dates set

Any student who did not have his yearbook photo taken during matriculation will be photographed on Friday, Sept. 14. The pictures will be taken at the beginning of the hour of English classes.

Any senior who did not have his/her portrait taken this summer, or who would like a retake should sign up for an appointment in the attendance office. Sign up begins Monday, Sept. 10. The photographer will be here at Antioch Community High School from Monday, Sept. 17 through Thursday, Sept. 20.

Students must be photographed by this photographer in order to appear in the yearbook.

The photographer will be here from 8 a.m. to 4 p.m., located on the far side of the stairwell near the North Gym at the east end of the foyer.

## Variance approved by ZBA

A lot line variance request was approved by the Antioch Zoning Board of Appeals.

The variance for a remodeled garage in an older building did not meet the current setback codes because of the age of the building, according to Joseph Veith, zoning board member.

The variance was granted to Bernard Stadick for his property on Park Ave.

## MEET WAYNE VIVIRITO and JIM PISANO

Co-Owners and Managers of Kings Pharmacy in Antioch

Mr. Vivirito and Mr. Pisano, courteous and friendly, are managers who are conscientious of their customers wants and needs. That is why they both advertise in and carry the Antioch News. They realize that to make their customers aware of the special offers and discount values, the Antioch News will deliver the message. Wayne Vivirito and Jim Pisano are two of many store owners and managers throughout Antioch that carry the Antioch News for guaranteed customer satisfaction.

## Along the way with ANNIE MAE

Wishing an early congratulations to the PM&L Theatre players who will be honored at the annual PM&L awards banquet.

This special theater event of the year will be held in Richmond.

Annie Mae is looking forward to the announcement of all the winners.

If you saw a low flying plane in the village and heard the Antioch police notify residents of additional insecticide spraying over their bull horns, you already know the village trustees approved the spraying at the village board meeting.

According to village trustee Donald Amundsen, it was a difficult decision. If the board decided not to approve the spraying, there probably wouldn't be a mosquito-killing frost until October or November!

Congratulations to two of our Chain O' Lakes Senior Services volunteers, who are taking on new roles in their senior years.

Doug Burke will be the new Chain O' Lakes Senior Services bus driver out of the Round Lake office. Our loss is Round Lake Chain O' Lake Senior Service's gain, as Doug is a very able and capable senior and will do a great job.

Ursula Seiffert, one of our volunteer office workers, has been retained as co-ordinator for the Antioch Seniors F.F.F. Ursula, with her charming personality, will make a wonderful co-ordinator. We at the Antioch Chain O' Lakes Senior Services office will miss both of them.

## NWSC sports seminar overcomes problems

Murphy's Law was in effect at the Northwest Suburban Conference Sportsman's Seminar at Antioch Community High School, according to high school principal Arthur Blecke.

Anything that could go wrong did, Blecke said.

Beside two late schools, a late speaker took extra time

during his address, he said. "Other than that, there were some very positive comments" concerning the seminar, Blecke said.

Sportsmanship was shown when varsity football players and cheerleaders, dressed in their school jerseys and cheerleading uniforms, spoke with one another, he added.

## Sophomores win over Crystal Lake

The Antioch sophomore football team opened the 1979 season beating Crystal Lake Central 19-8.

Scoring for Antioch was Pete Kessler on a 19 yard end run in the first quarter. In the second and fourth quarter fullback John Haling scored touchdowns each from one yard out.

The defensive unit was very successful in that it held CLC to no first downs, while giving up nine yards total offense.

### SCORE BY QUARTERS

	1	2	3	4	T
Crystal Lake	8	0	0	0	8
Ant.	7	6	0	6	19

## Sequoit field hockey home opener Sept. 17

The Antioch Field Hockey teams began the 1979 season, Saturday, Sept. 8, by playing in the Deerfield Invitational.

The Deerfield invitational is an annual event in which twelve schools participate; each team playing five other teams in abbreviated games.

The Antioch Varsity defense held four teams scoreless while the offense was only able to score one goal. Antioch's lone goal, scored by Shelly Ester, enabled the varsity to finish the day with one win and three ties.

The Antioch Junior-Varsity played one entire game and lost 1-0.

**REGULAR SEASON** began Monday, Sept. 10 at New Trier East followed Wednesday, Sept. 12 by another away game at Maine East.

The first home game is Monday, Sept. 17 against Lake Forest.

Other home games this season are, Wednesday, Sept. 19, Mon. Sept. 24, Friday, Sept. 28, Monday, Oct. 15, Wed., Oct. 17 and

Monday, Oct. 22.

**MEMBERS** of the Antioch Varsity are: Seniors, Melaine Mohar, Beth Mueller, and Kathy Odds, Juniors, Lori Nohlecek, Shelley Ester, Tammy Traves, Cheryl Thamerus, Kathy McDonald, Kathy Feldmann, Laura Ogden, Sharron Nelson and Renee Petykowski, and Sophomores Tracy Manual and Peggy Ducommun.

Members of the Junior Varsity are: Kathy Achs, Beth Kromer, April Oaks, Jill Harland, Karen Kaiser, Jeannie Mills, Robin Ratch, Chris Forster, Eileen Irmen, Pat Smith, Denise Mattson, Theresa Weber, Tammy Darland, Donna Straka and Lenore Frydeychowicz.

The Sequoit Hockey Team is managed by Robin Griffen and Laura DeRousse.

### NEWS IS FIRST

The Antioch News is Antioch's earliest publication with the week's local news and advertising. You'll be first when you read The Antioch News.

## Women golfers receive awards

The State Bank of Antioch Women's Golf League held its annual awards banquet at Andre's in Richmond.

After a delicious meal provided by the State Bank, Annette Lubkeman, president of the golf league and Bill Brook, president of the State Bank presented recipients with their awards.

Silver plates were awarded to first and second place winners. Those qualifying for the honors were first place, Team No. 6 members Irene Teresi, Bev Reckers, Joyce Knigge, Anne St. Pierre and Linda Brown.

Second place, tie between Team No. 4 and Team No. 5 winners are Del Scarpelli, Caroline Costoff, Marge Solar, Bev Knutsen, Jean Sherman, Pearl Fowles, Lorraine Hitchon, Elaine Oftehl, Barb Tobias and Alvera Morgan.

Pendants were awarded to the following for the lowest putts: Class A, Pearl Fowles; Class B, Lorraine Hitchon; Class C, Annette Lubkeman; Class D, Beverly Knutsen; and Class E, Alvera Morgan.

The Most Improved Player Award was given to

Lorraine Hitchon. Other small gifts of appreciation were given to the officers of

the league and to Mr. Reckers for his assistance during the past season.

## Viking Heavyweights tackle McHenry

The Antioch Vikings junior tackle football season officially opened with the Heavyweights winning with an impressive score of 32-0 over the McHenry Hornets.

A sparkling defense led by Andy Lehn and Phil Raven kept the Hornets so off balance that the Vikings

were able to control the ball throughout the game. The outcome was never in doubt following the first offensive series, Antioch managed to score on sustained drives every time they got the ball, except one.

Andy Lehn scored three touchdowns, one of which came via a pass. He also managed to take in two of the five extra point tries.

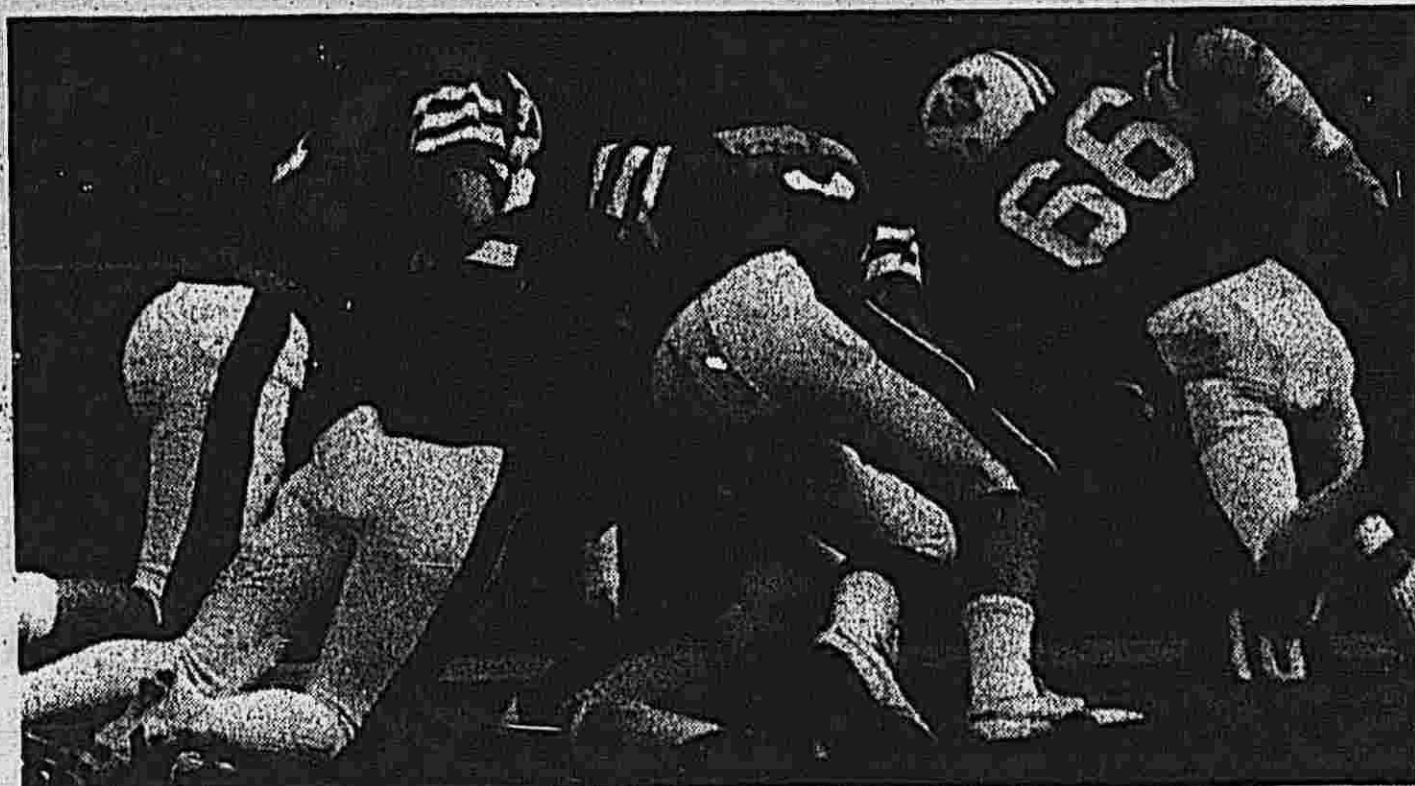

Running back Jim Kauth ripped off some long gainers and was responsible for the other two Viking touchdowns.

### AVAILABLE TUES.

## Eagles, Buccaneers enter triple overtime

The Eagles and the Buccaneers played a very defensive game with the score ending 0-0 at the end of four quarters of regulation Viking football play.

With the game going into triple overtime play, the

Eagles were finally victorious 6-0.

Danny Hall scored the touchdown on the third overtime drive. The Buccaneers then had their chance to score, but Steve Hanson intercepted a pass to end the game.

## Seahawks nab Warriors

The first game of the season played by the Seahawks was won 20-0 against the Warriors in a Viking game.

Touchdowns were scored by Rod Voling, Mike Byczek and Pat Bruks. Byczek and Bruks also carried the ball for the extra points.

The offense was generated by the fine ball handling of Ken Bergman. The strong defense of the Seahawks led by the interior line of Dave

Lear, Jason Johnson, Rich Jurco and Steve Poppadekis held the Warriors offense to two first downs while forcing three crucial turnovers which were recovered by Pat Bruks, Mike Goldine, and Gerry Stollenwerk.

The Warriors' coaches credited the defensive line and middle line backers Steve Behrendt, Larry Rodgers and Pat Mercer for turning in most of the tackles and sacking the quarterback twice.

## Gallagher plays for Monmouth

Robert Gallagher of Antioch, the son of Mr. and Mrs. Leroy Gallagher, 41097 North Julian Ct. is a member of Monmouth College's football team this fall.

The Antioch High School graduate is one of 42 freshmen joining the 56 veteran players returning from last

season's 5-3 team.

Daniel Salinas, a junior biology major from Round Lake is one of the returnees for the Fighting Scots.

The 1977 Round Lake High School graduate is the son of Mr. and Mrs. Francisco Salinas, 328 lawn Terrace.

## Pearson Memorial final Wilmot race

Hank Hovorka, Silver Lake, won the 40 lap late model sportsman season championship race at Kenosha County Speedway Saturday night.

It was his first feature race win at Wilmot.

Dick Colburn, Muskego won the super modified 25 lap feature. It was his second full feature win and followed his win in the final split portion of the 79 laps for the super modifieds last week.

For Darrell Dodd, Waukegan, newly crowned super modified stock car champion, it was not so great. He won his heat race but dropped out of the early

running in the feature to finish only 17th.

JOE FOTE set fast time for the super modifieds at 16.24 seconds, crashed in the opening heat race and came back to finish second in the feature followed by Gary Dye who had won the other heat race.

Then it was former champion Carmen Manzardo who was the only other leader in the feature and the 1978 Champion, Bob Robel.

Robel and all the super-modifieds were in their final appearance at Wilmot for the season. Next week, the closing night for all racing at Wilmot, only the late model

sportsman, modifieds and spectator stocks will be racing.

It will be the season championship race night for the modifieds in a 30 lap Collis Pearson Modified Memorial Championship race and the spectators in a 20 lap season championship tilt.

IN THE LATE model sportsman championship, Dave Zilmer took over from Jeff Hutchinson on the fourth lap and led until the 12th lap when a wire came off his ignition switch.

He returned but was far down at the end.

Ken Zeisse and Jim Zwirgzdas made it a thrilling

race as any one of the drivers might have been the winner but could just not find the extra speed needed to get around the smooth driving Hovorka in a Camaro.

Roy Morrison won the 10 lap semifeature and heats were won by Butch Heinze, Sid Norton and Zwirgzdas.

Tom Banfield, Kenosha topped the spectator stock cars in qualifying and won the feature but missed the sweep as he finished only second to Dan Rousch in the heat. The other heat race winner was Ted Ellis.

Points for the late model sportsman will continue through Sept. 15.

## Dug Out women take 2nd

Over Labor Day, Furlan's Dug Out Inn Women's team from Trevor won second place in the Zion Park District Granny 12-inch Tournament.

Of the 17 teams entered, Sport Center of Waukegan took first.

In the championship, Furlan's came from the loser's bracket and beat them 11-3 but lost the final match 8-3.

## Waukegan Speedway gears for final race night ever

Mike Klemko of Salem picked up his first checkered flag of the season at Waukegan Speedway as he won the 25-lap feature and a heat Saturday night.

Bill Fuesting of Waukegan won his second hobby stock 12-lap main event.

Bill Aichest led the late model main until lap 13 when Klemko got by going through turn one using the outside groove after the two had battled for several laps.

AICHEST SPUN but

recovered to finish third with fastest qualifier and 1979 track champion, Ron Shearer second. George Fetzler finished fourth and C.J. Lindholm, who earlier won his first race of the season in a heat, fifth.

Mark Hill won his first trophy dash of the season also.

In the hobby main, Fuesting was awarded first following a protest for an ineligible driver winning the main. The disqualification

moved heat winner Chick Stolarik to second, heat winner and point leader Dan Vetter to third and consolation victor Art Brewer to fourth.

Tom Moore also won a heat with the trophy dash going to Scott Holmes.

IN THE HEAT won by Vetter, Ron Mason put his Barracuda on top of the second turn wall. The Navy driver was uninjured.

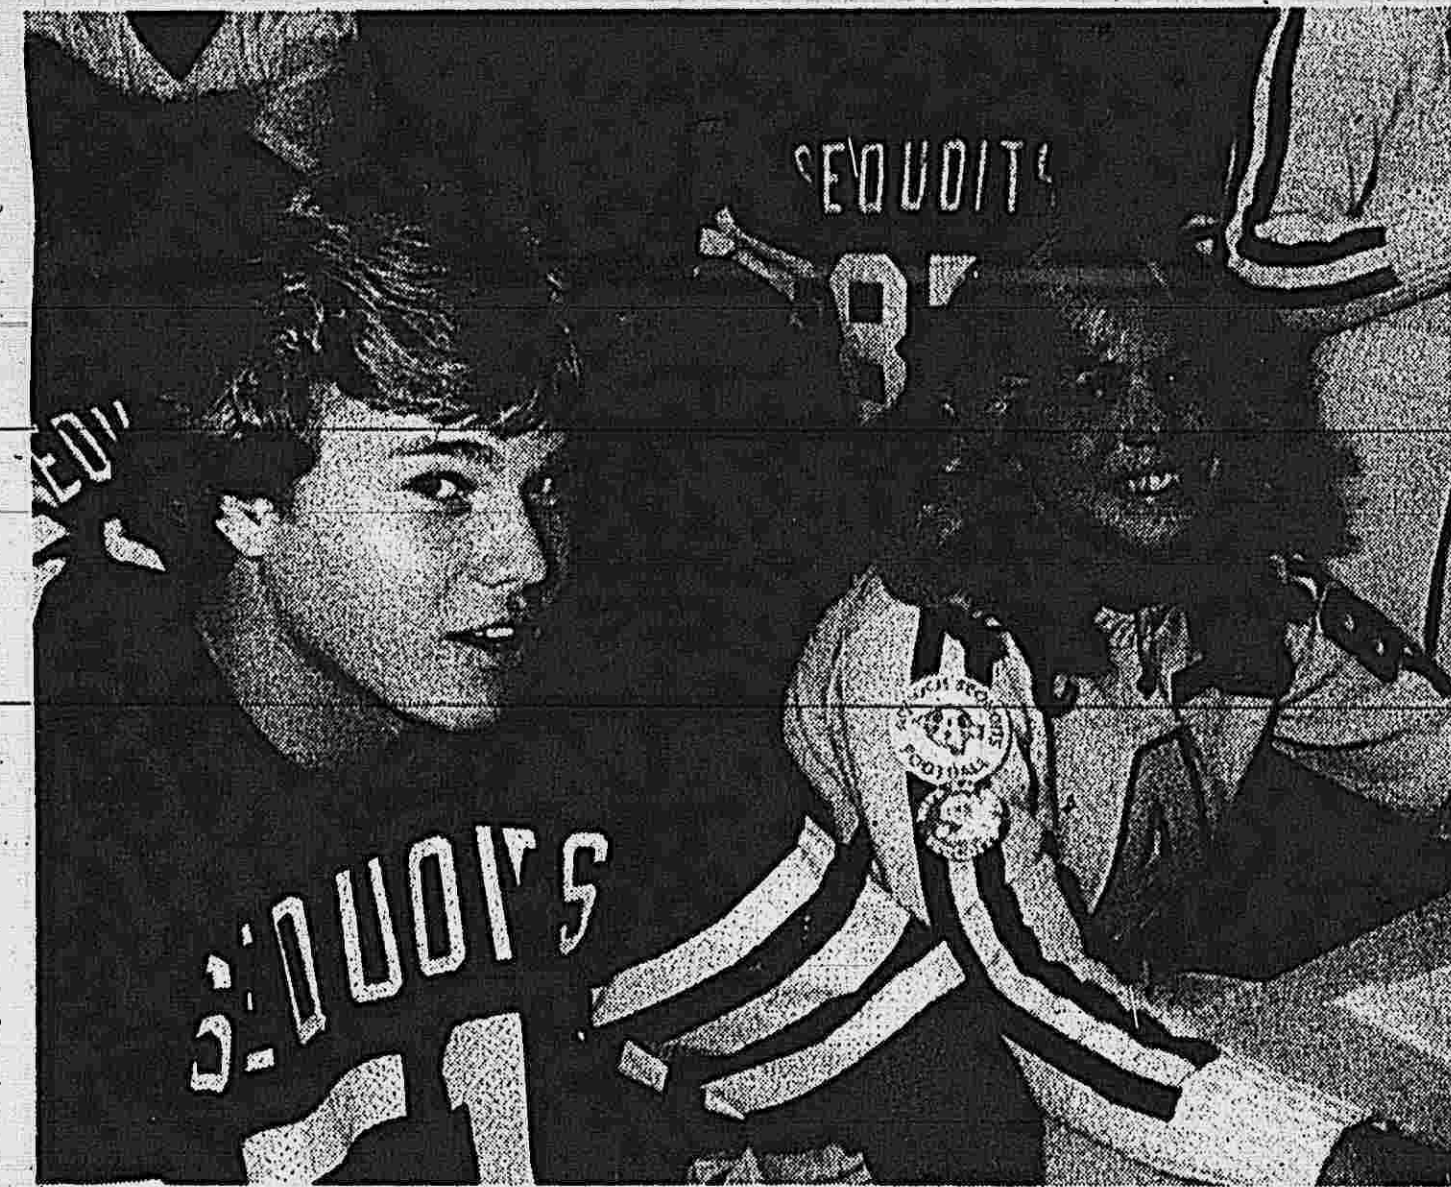

Mike Mazmanian won the Beat Your Neighbor title in a Mustang.

Waukegan Speedway will host its final race night ever on Saturday, Sept. 15, as Park City has annexed the property and plan an industrial development on the site.

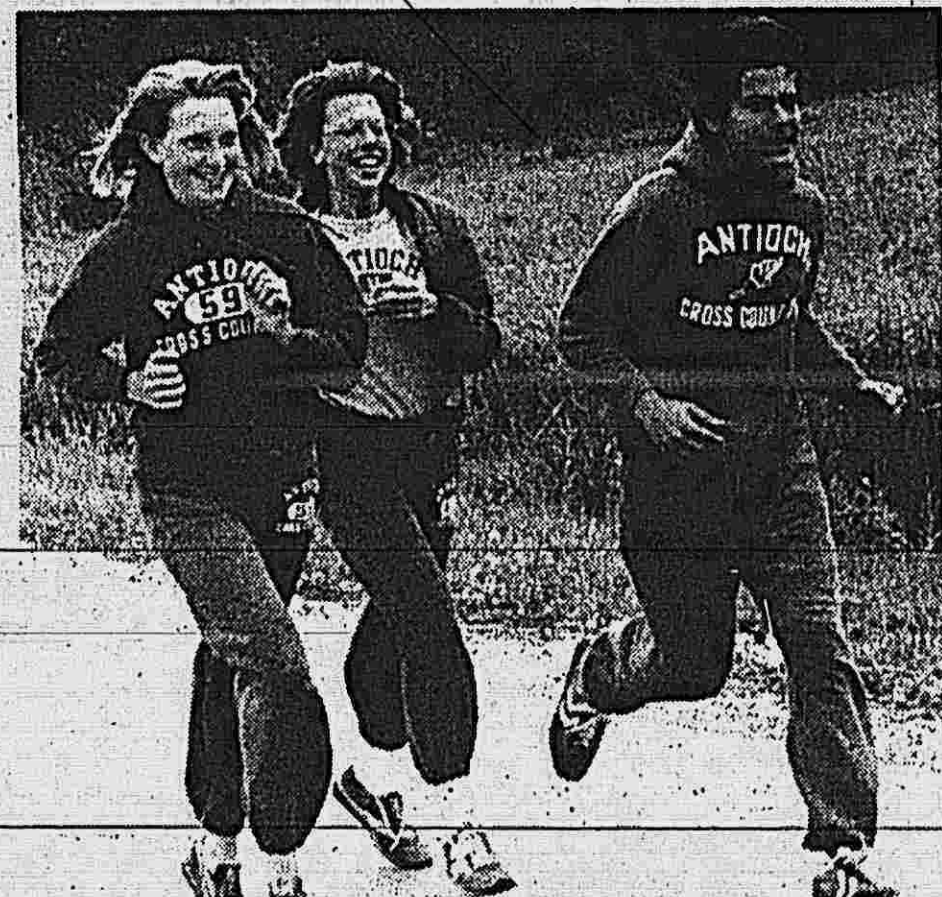

The track has been in operation for 30 years with the last 17 under Lake County Racing, Inc., Gordon Sill president and promoter.

A "END OF an Era" party is planned for Gas Up Alley following the races with "Double Trouble" performing. Trophy presentations will be made also. Party and presentations will be made rain or shine.

An open demolition derby will be held with \$100 going to the winner. Several surprises are also scheduled. Gates open at 6 with the first race at 8 p.m.

## Lightweights shut out Hornets

The Viking Lightweights also opened the season with a shut-out against the McHenry Hornets 27-0.

The Lightweights scoring was led by Steve Lichter after Gene Elrod recovered a McHenry fumble.

Other touchdowns were

scored by Dean Elrod, Joel Bissing and John Geier after many McHenry blocked punts and fumbles.

Rich Lorenz, Barry Proctor, Dave Perryman and Gene Elrod were credited by coaches with outstanding defensive play.

KRAMER—ANO

## Announce engagement of Kramer, Ano couple

Mr. and Mrs. James Kramer announce the engagement of their daughter Julie Kathleen to Mr. Kevin Ano.

He is the son of Mrs. Barbara Ano of Antioch. The bride's parents are also from Antioch.

Miss Kramer attended Harper Junior College in Palatine and the College of Lake County. She is employed at the law offices of

Ronchar and Nordigian in Waukegan.

Mr. Ano is a graduate of Plumbers local 93 trade school in Waukegan. He is employed by Haviland Plumbing, Inc. of Antioch.

The couple is planning an October wedding.

## Permits sought for construction

Two construction permits in Antioch have been applied for at the Division of Water Resources, according to the Illinois Dept. of Transportation.

Anyone either favoring or opposing the proposed construction is invited to transmit written statements to the Division of Water Resources, 2300 S. Dirksen Parkway, Room 300,

Springfield, 62764.

Applying for permits are Thomas H. Riggs, for placing rip-rap materials along the bank on Lake Marie, south of East Ave. and west of West Lake Ave. and the Chain O' Lakes Park Assn., for placing rip-rap on a channel located between Bluff Lake and Spring Lake along the west channel bank just north of Grass Lake Rd.

## Upper Grade School survey approved

The Antioch Grade School board approved a life, health, safety and energy conservation survey for the Upper Grade School.

"With the completion of the W.C. Petty School, all of our buildings will be in excellent condition with the exception of the upper grade building," according to Supt. Donald Skidmore.

"We have a least three major problems," Skidmore explained in the superintendent's notes for the meeting.

The roof, carpeting and the mechanical system, particularly the air conditioning system are the major problems, he reported.

The survey, which will be done by an architectural firm, will be completed within three months, Skidmore said.

## Names in the NEWS

Marine Lance Cpl. Dominic M. Guido Jr., son of Rose and Dominic M. Guido Sr. of 2322 Carriage Lane, Lindenhurst, has reported for duty with 1st Marine Division, Marine Corps Base, Camp Pendleton, CA.

A 1976 graduate of Antioch High School, he joined the Marine Corps in September, 1976.

## Women of Moose hold enrollment

by ANITA WISNIEWSKI  
Senior Regent Mary Galster welcomed 35 co-workers to the Sept. 6 meeting.

She introduced publicity chairman Carol Deutsch. After she was escorted to the Senior Regent's Station she introduced the members of her committee.

An enrollment was held in her honor. The class consisted of Patricia Wimmer, sponsored by Ut Thi Templin and Julie Gutowski and Catherine Gutowski sponsored by Louise Gutowski.

During the meeting Louise Imbergia and Judy Page were escorted to the sponsor's heart where they placed insignia's representing their candidates enrolled at a previous meeting.

One of the highlights of the evening was when Junior Graduate Regent Judith Kelly announced that she has received the notification that the chapter has received the award of achievement for the chapter year 1978-79 and that she is eligible to receive the green cap degree on Sunday, Oct.

28. Her special open green cap enrollment meeting will be held Thursday, Nov. 15.

Moosehaven chairman Terry Smallwood passed out copies of the 'Christmas in October gift list' for our aged at Moosehaven. The "Christmas Walks" for Mooseheart and Moosehaven will be held at the first meeting in October and co-workers are urged to purchase one of the gifts on the list or to donate some cash so that no one will be forgotten at Christmas.

After adjournment the usual drawings were held: Moosetry gift drawing was won by Pat Wimmer, share the pot by Carol Deutsch. Attendance drawing was held and Dorothy Barnstables' name was drawn but she was not present. The next meeting will be a business meeting requiring street length dress. It will be held Thursday, Sept. 20.

### ACTIVITY FUNDS

## Senior passes available

Antioch Community High School is again receiving applications for senior citizen lifetime passes. The pass entitles the holder of it to complimentary admission to all home activities and programs sponsored by the high school.

The practice was begun in 1969. To date, 277 passes have been given out, including 23 issued during the 1978-79 school year.

If you are a resident of the Antioch Community High School district and 62 years of age or older, you may obtain a pass. Those interested in applying for the senior citizen lifetime pass should write or call Antioch Community High School, 1133 S. Main St., Antioch, 60002, attention superintendent, or telephone 395-1421.

You may also apply for the pass in person at the general office of the high school on any regular school day from 8 a.m. to 4 p.m.

Senior citizens are invited to eat lunch at the adult prevailing price in the high school cafeteria any day students are in attendance. Lunch is served from 10:50 a.m. to 1:15 p.m.

### ACTIVITY FUNDS

The Antioch Grade School Board authorized activity funds for each school in the district.

## Village approves spraying

The end to Antioch's besiegement by mosquitoes may be in sight as a result of a decision by the Antioch Village Board.

The board approved an addition to its Clarke Outdoor Spraying program consisting of a low-flying plane spraying the village. The cost for the spraying is \$1,320.

Considering the proposal, Trustee William Seemann said, "I was just wondering if we could suffer through for a month."

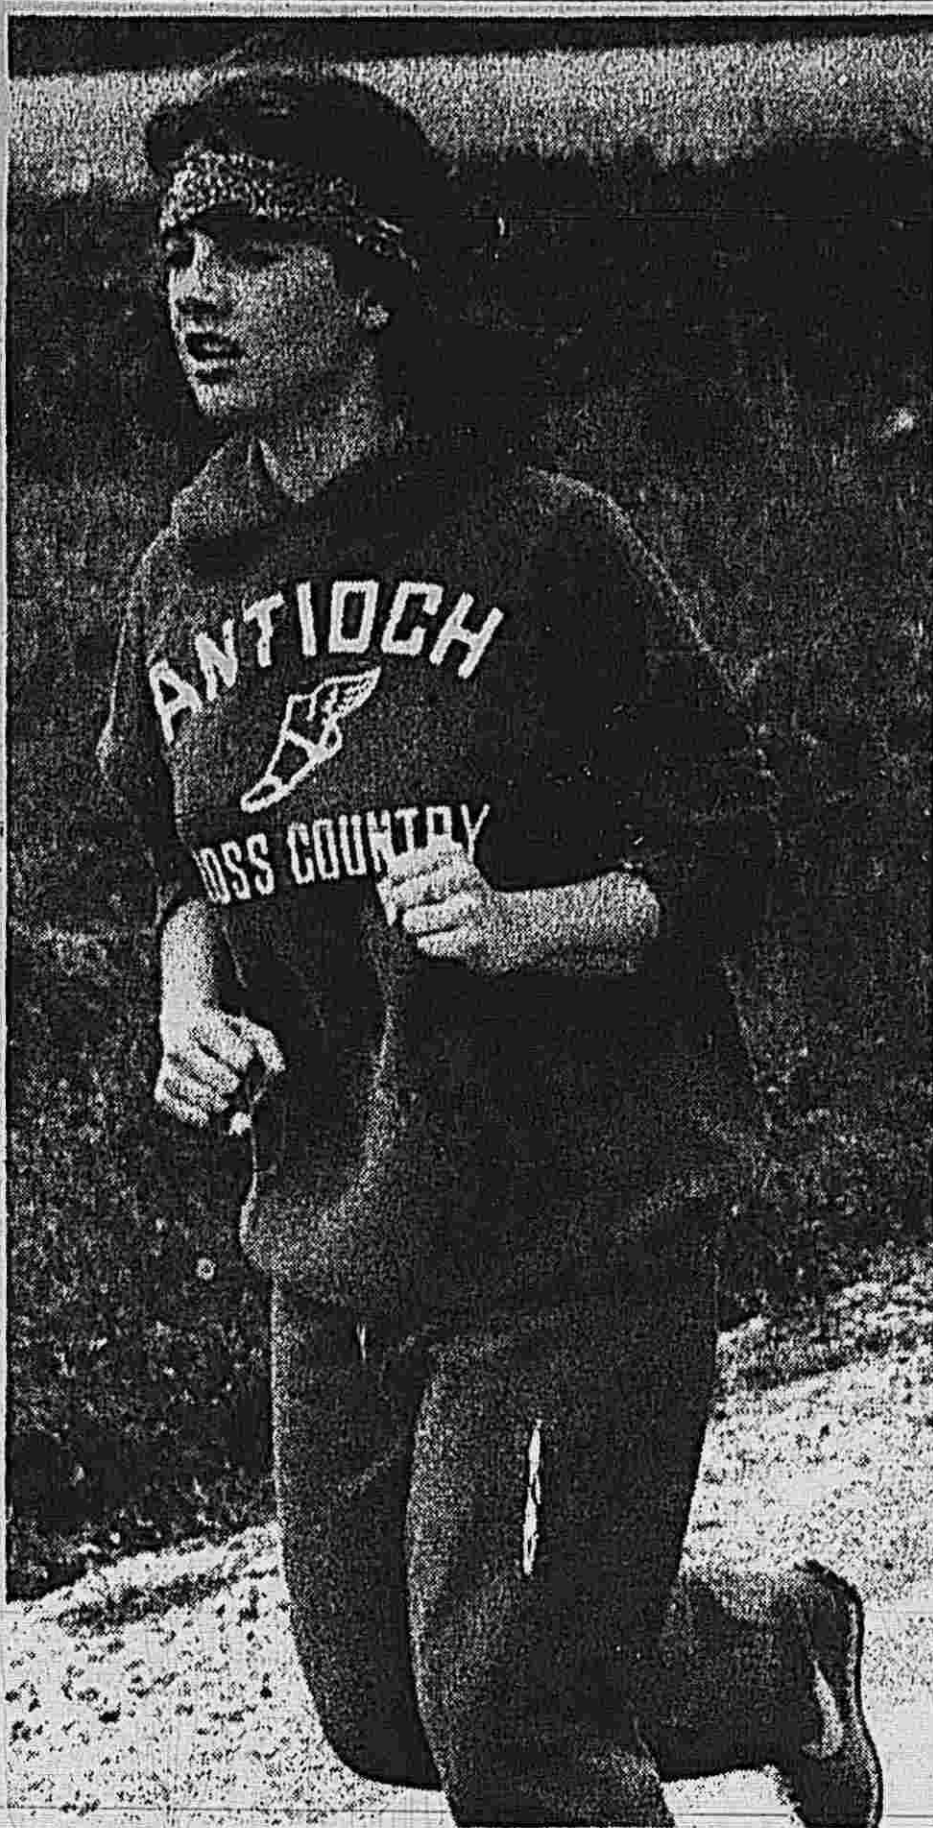

**TRUSTEE EDGAR** Simonsen said that hot weather was in the forecast and with it the mosquitoes would continue their attack.

Hoping for an early frost to kill the mosquitoes was Trustee Donald Amundsen.

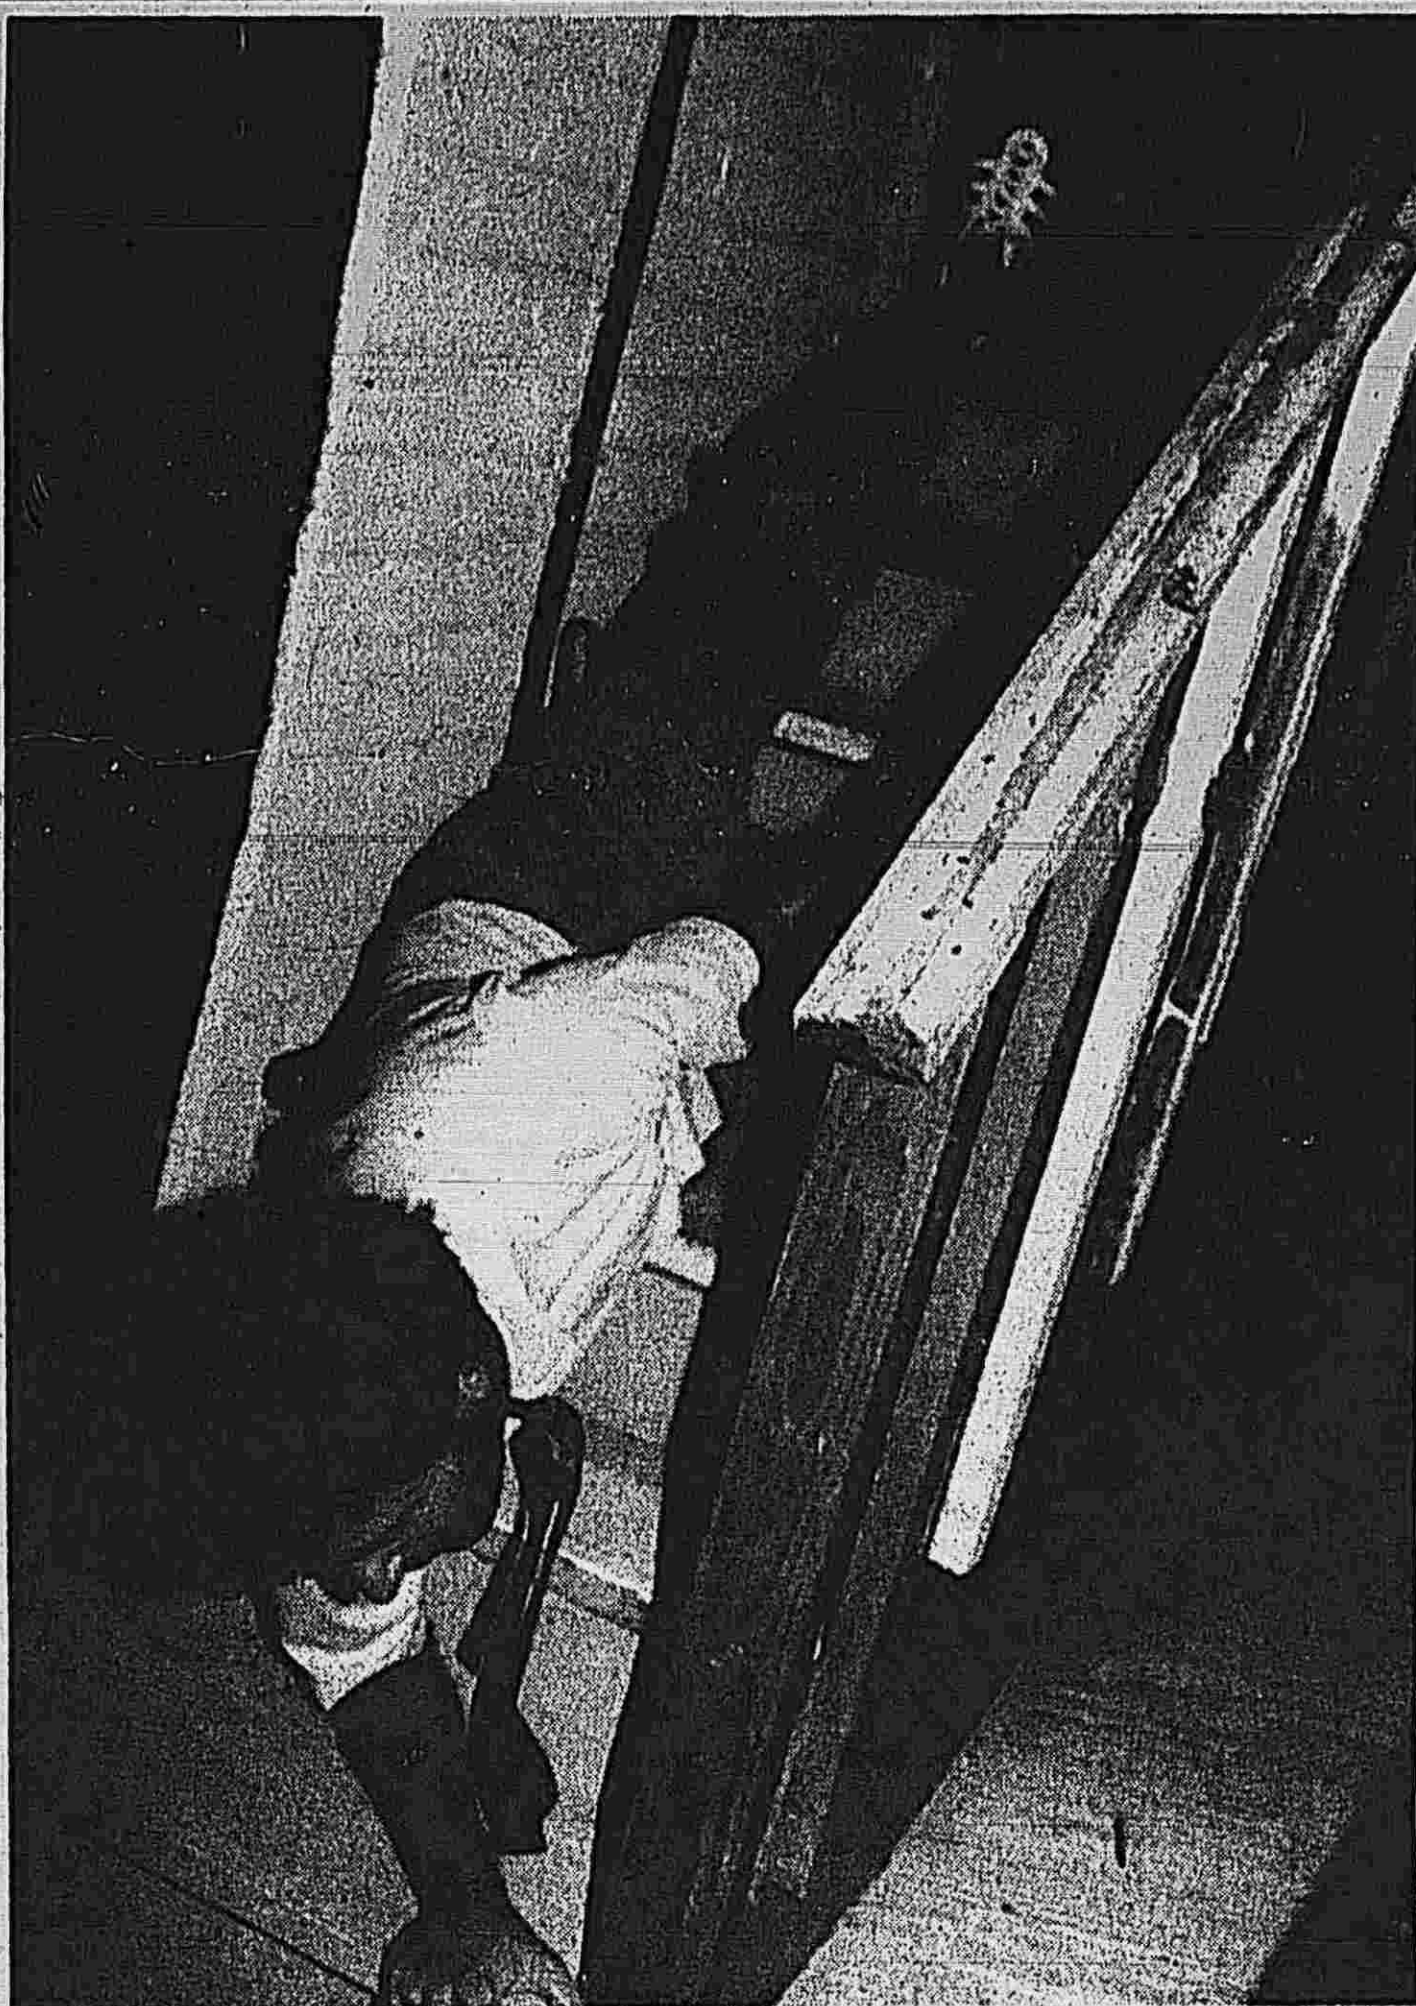

The five present board members voted unanimously in favor of the spraying.

**IN OTHER ACTION**, the board approved three appointments to the Antioch Fire Dept. Appointed were D. Gussarson, R. Kennedy and M. Gutowski, who completed their probationary requirements and are certified by the state.

A one-day liquor license was granted to the Antioch Rotary Club for their annual pork chop barbecue Sept. 29. The fee for the license was waived.

## INSURANCE INFORMATION

Is there a basic formula for determining the property  
insurance needed on a home and what is the best way  
to adequately insure the contents against storm damage,  
fire, theft or vandalism?

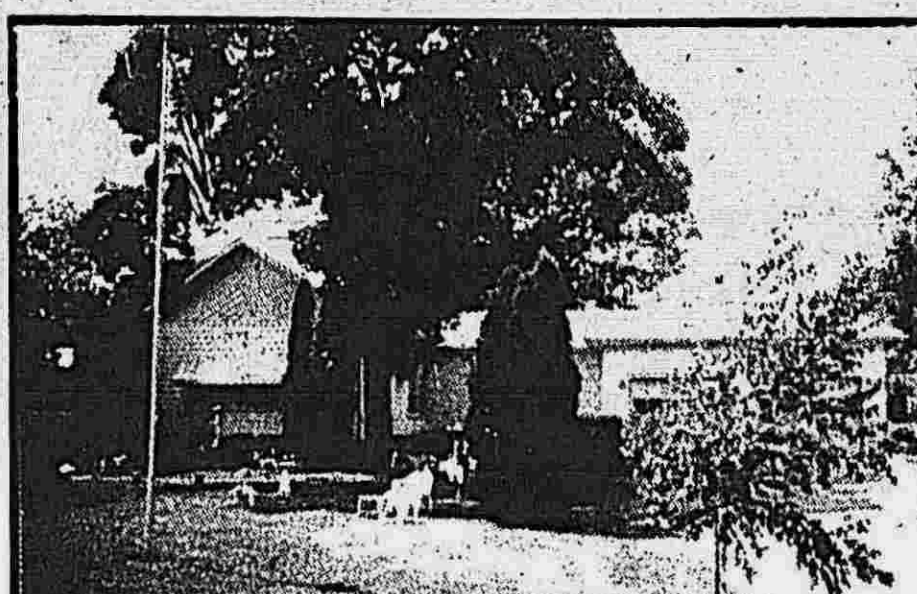

Yes, there is a sound formula for determining needed property insur-  
ance. You take the square footage of your home and multiply this  
by the present cost to replace the materials used in constructing the  
structure. Eighty to ninety percent of this figure needs to be insured.  
This being done, your home will be insured for its value. To insure the  
contents of your home you need to get an appraisal from an accredited  
appraiser based on current replacement costs. This amount should  
be covered by a household goods policy.

## Rotary plans fifth barbecue, auction

An auction, flea market, pork chop barbecue and dancing will be featured at the Antioch Rotary Club's annual barbecue.

The fifth annual event will begin at 6 p.m. Sept. 29 at the Antioch Auction Center on North Ave.

At 7:30 p.m. antiques and collectables will be auctioned. "Human interest items" are included on the auction agenda, said Homer White, barbecue and auction chairman. Last year, the group auctioned White's overalls right off his back.

"WE EVEN HAVE a fun time," White said. "The public really gets a bang out of the (auction) show."

Plans this year include auctioning off some whole hogs, cut, wrapped and frozen and one-half pound of homegrown beef. A flea market will be held during the meal time, which is planned for 6-9 p.m.

Art Smejkel and his band will provide entertainment from 10-1 p.m.

Tickets, which can be purchased from

Rotary members and at the banks and savings and loan, cost \$7.50.

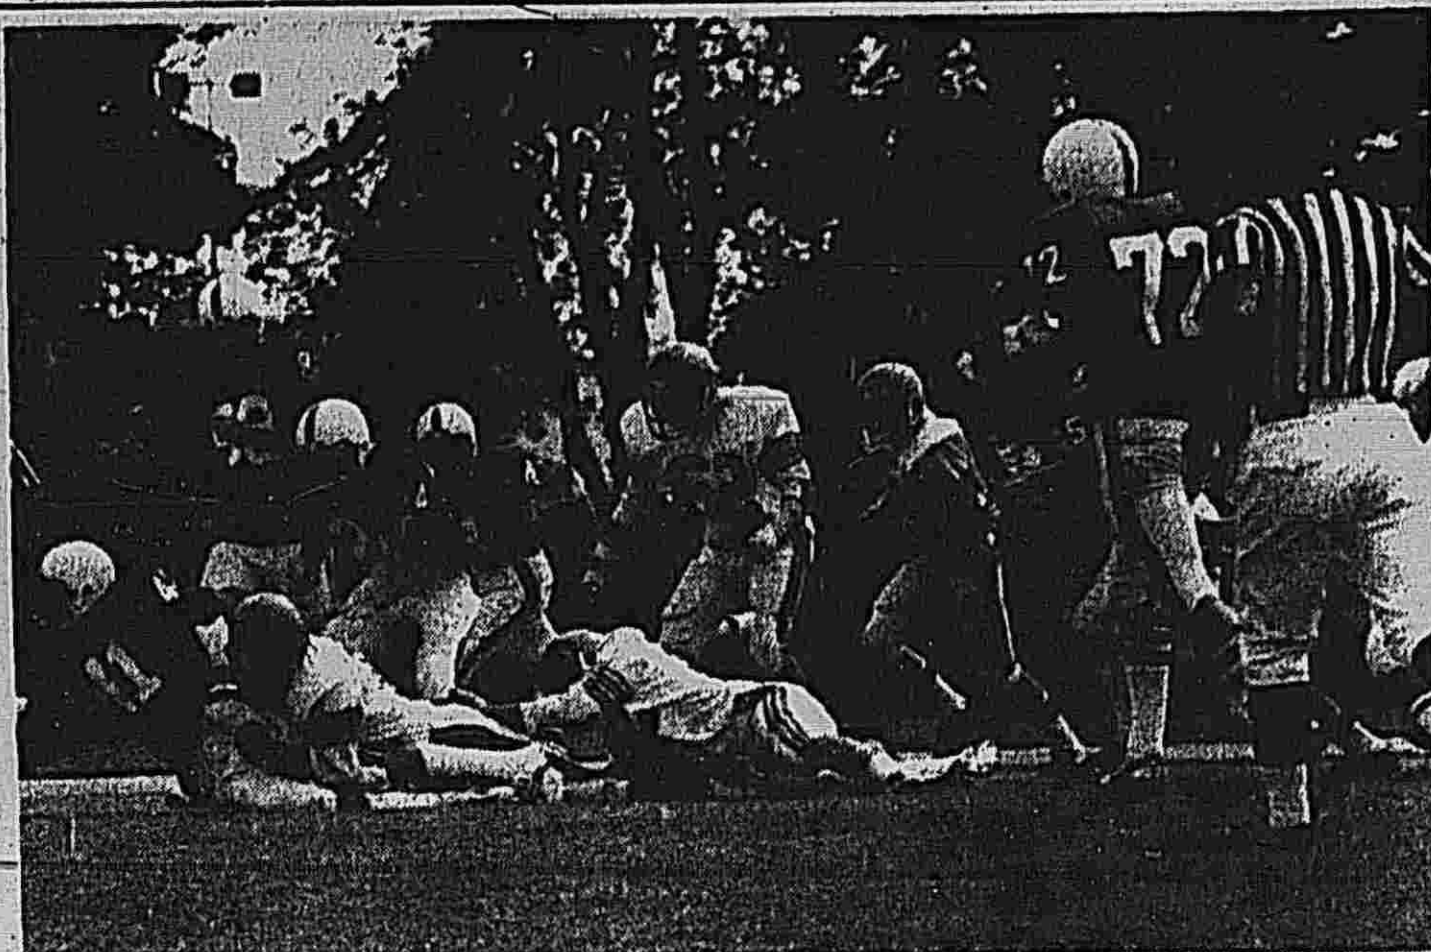

THE DINNER MENU consists of barbecued pork chops, baked beans, cole slaw, apple sauce, bread or rolls and ice cream. Beverages will be available at the bar.

Proceeds from the evening will be used for Rotary community service projects, which include the organization's international student exchange program.

Auction donations are being accepted. For more information, call Homer White at 395-0651 or Tom Kelly at 395-3030.

Last year, Rotarians served 554 people and are "planning to serve 100 to 150 more this year and have the facilities to handle it," said Homer White, who is also a past president of the group.

The annual affair is a "very pleasing, very easy experience. In past years, 'people at the auction have been very generous,' he added.

PRACTICING — Two players practice before scrimmage at Antioch Community High School kickoff day.

## No injuries in boat explosion

A boat explosion and fire on Grass Lake was fought by the Antioch Fire Dept. and an area explorer post.

By using a jet boat, the post was able to put the fire out. The occupants of the boat waded to shore and were not injured.

The owner of the boat, Robert Thorns, had loaned it to another man when the accident occurred.

The explosion indicated the possibility of a gasoline leak. The boat was "damaged beyond repair," according to Antioch Fire Chief Tod Mapletorpe.

HOME FREE — Matt Stevens, number 31, avoids tackle by Crystal Lake player during first game of season. — Photo by Andy Dugenske.

## Raiders defeat Falcons

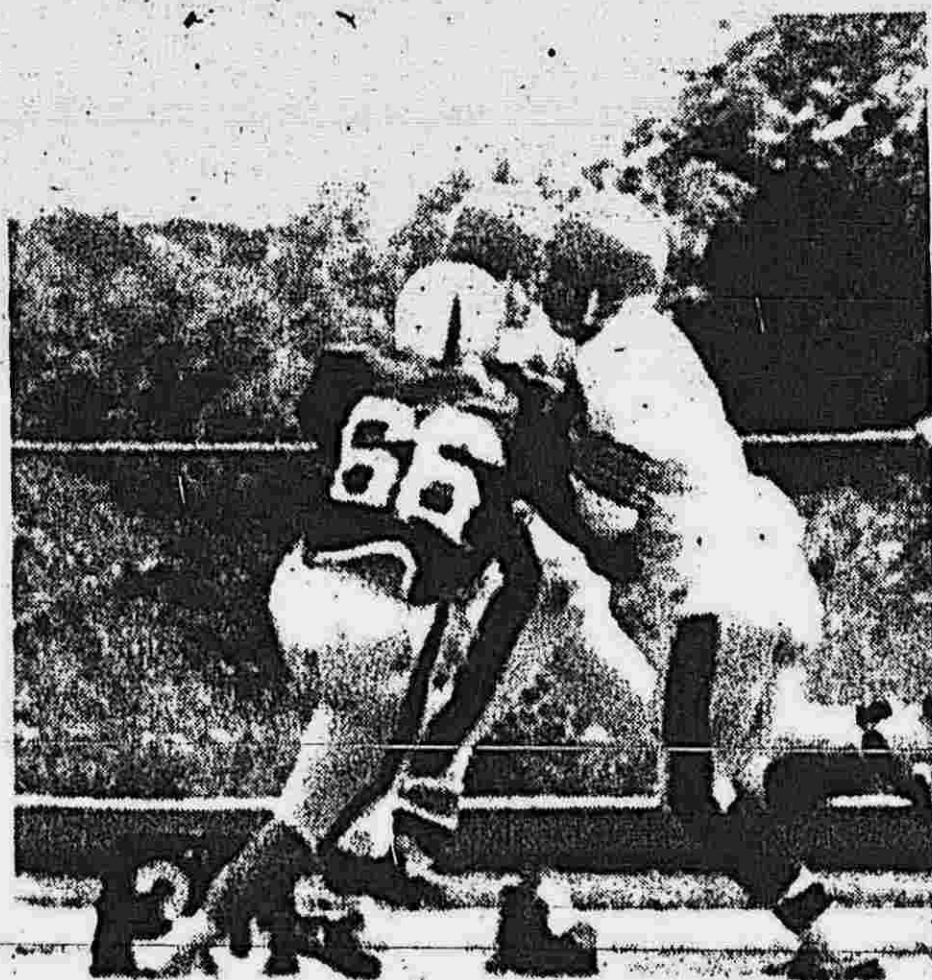

The Raiders defeated the Falcons 7-0 in the opening game of the Viking football season.

The Raiders' coaches had praise for the first string defense saying they did an outstanding job.

The coaches also gave credit to the offensive efforts of Stan Kuligoski, who

carried for more than 50 yds. Eric Birkshaug also had a good day offensively with some fine runs including the six yard run when he scored. Kelly Lowry got the extra point.

The Falcons' coaches commended Ken Stoinski, who led the team in tackles and Lance Bestland, who contained his end fairly well.

SAVING BLOCK — John Lloyd, number 66, blocks Crystal Lake players during first game of season. Game was played at home. — Photo by Andy Dugenske.

**—LEGAL—**  
**RECOMMENDATION BY THE BOARD OF LOCAL IMPROVEMENTS OF THE VILLAGE OF ANTIOCH, ILLINOIS AS TO SPECIAL ASSESSMENT NO. 25. TO THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:**

The undersigned, being the members of the Board of Local Improvements of the Village of Antioch, Illinois, herewith submit a draft of an Ordinance for the construction of a local improvement consisting of the construction of water mains and sanitary sewers to Johelia Country Lane Estates in that part of the Village of Antioch as legally described on Exhibit "A" attached hereto and made a part hereof.

The nature, locality, character and description of such improvement shall be as set forth in the plans and specifications, copies of which have heretofore been tendered to this Board and which are now on file in the Office of the Village Clerk and in the Office of Frank J. Furlan, of Northern Illinois Survey Company, 1733 Washington Street, Waukegan, Illinois, project engineer.

We submit herewith an Estimate of Cost of said Project showing the total cost of the improvement to be estimated in the amount of \$598,102.35, which has been made and prepared by Frank J. Furlan, as engineer for said project; and

We recommend the passage of the said Ordinance and the making of the cost thereof to be paid for by Special Assessment, said improvement to be known as Special Assessment No. 25 of the Village of Antioch, Illinois.

DATED this 4th day of September, 1979.

To: The Board of Local Improvements, Village of Antioch, Illinois.

The Board of Local Improvements of the Village of Antioch, Illinois, having originated a scheme for a Local Improvement described as follows to-wit: Providing Water Main and Sanitary Sewer Service to Johelia Country Lane Estates and in that part of the Village described as follows:

All that part of Government Lots 1 and 2 in the West half of Fractional Section 5, Township 46 North, Range 10, East of the 3rd Principal Meridian bounded by a line described as follows to-wit: Commencing at the point of intersection of the centerline of State Route 21 (Fox River Road) with a line drawn parallel with the four (4) chains (264 feet) North of the South line of said Government Lot 1; Thence West, along a line drawn parallel to and 264 feet North of the South line of said Government Lot 1, a distance of 797.73 feet to a point 10.0 feet West of the East line of Lot 2 in Twin Oaks Subdivision, a subdivision recorded on July 5, 1957 as Document No. 956543 in Book 1553 of Records on page 75; Thence South, along a line drawn parallel to and 10.0 feet West of the East line of said Lot 2, a distance of 264.0 feet to the South line of said Government Lot 1; Thence West, along the South line of said Government Lot 1, a distance of 130.0 feet to a point where the West line of Lot 1 in Twin Oaks Subdivision extended South intersects the South line of said Government Lot 1; Thence North, along the West line of Lot 1 extended South and the West line of Lot 1 in Twin Oaks, to the Northwest corner of said Lot 1 in Twin Oaks; said corner being 264.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 264.0 feet North of the South line of said Government Lot 1, a distance of

417.0 feet to a point which is 330.0 feet East of the West line of said Section 5; Thence North, along a line drawn parallel to and 330.0 feet East of the West line of said Section 5, a distance of 264.0 feet, to a point 528.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 528.0 feet North of the South line of said Government Lot 1, a distance of 330 feet to the West line of said Section 5; Thence North, along the West line of said Section 5, a distance of 2103.92 feet to the Southerly right-of-way line of the abandoned Spur of the Wisconsin Central Railway; said point being 139.28 feet South of the North line of said Fractional Section 5; Thence Southeasterly along the Southerly right-of-way line of the abandoned Spur to the point of intersection with the Southwesterly right-of-way line of the Minneapolis, St. Paul & Sault St. Marie Railroad; (also known as the Soo line); Thence continuing Southeasterly along the Southwesterly right-of-way line of the aforesaid Soo Line, to the point of intersection with the centerline of State Route 21 (Fox River Road); Thence Southerly along the centerline of said State Route 21, to the place of beginning of this description all in the Village of Antioch, Lake County, Illinois.

All to be constructed as described in greater detail in accordance with the ordinances, regulations and provisions for materials and further in accordance with the plans and specifications for the work. Herewith submit an estimate of cost of said improvement including the cost of labor, materials, machinery and equipment and all other expenses attending the cost of construction of the same and the cost of engineering and inspection and the cost of making and collecting the assessment thereof, as follows, to-wit:

14. 12" x 12" 45 degree Elbow	1 each	175.00	175.00
15. 8" x 8" 45 degree Elbow	2 each	150.00	300.00
16. 12" x 12" x 8" Tee	5 each	250.00	
17. 12" Plug	4 each	40.00	160.00
18. 8" Plug	1 each	30.00	30.00
19. 6" x 6" x 8" Pressure Tap W/Valve in Vault	1 each	1600.00	1,600.00
20. Corporation Cock, Curb Stops, Curb Boxes and 1" Service Line to right of way	101 each	125.00	12,625.00
21. Trench Backfill for water main	304 c.y.	9.00	2,736.00
22. Watermain to be augered (8") in 16" casing complete	35 l.f.	120.00	4,200.00
23. In-line Booster Pump and Chamber Complete	1 each	15,000.00	15,000.00
24. In-line check valve and chamber	1 each	5,000.00	5,000.00
25. Casement pipe for 8" watermain (16")	120 l.f.	12.00	1,440.00
26. Casement pipe for 12" Watermain (20")	20 l.f.	14.00	280.00
27. Pavement Removal & Replacement	73 s.y.	12.00	876.00
Total for Water			196,374.50
TOTAL FOR COMBINED SANITARY SEWER AND WATER MAIN			513,562.50
COST OF ENGINEERING DESIGN AND SUPERVISION			50,685.50
COST OF LEGAL EXPENSE AND OF SPREADING AND COLLECTING ASSESSMENTS			33,854.85
TOTAL COST OF IMPROVEMENT			538,102.35

**EXHIBIT "A"**

All that part of Government Lots 1 and 2 in the West half of Fractional Section 5, Township 46 North, Range 10, East of the 3rd Principal Meridian bounded by a line described as follows to-wit: Commencing at the point of intersection of the centerline of State Route 21 (Fox River Road) with a line drawn parallel with and four (4) chains (264 feet) North of the South line of said Government Lot 1; Thence West, along a line drawn parallel to and 264 feet North of the South line of said Government Lot 1, a distance of 797.73 feet to a point 10.0 feet West of the East line of Lot 2 in Twin Oaks Subdivision, a subdivision recorded on July 5, 1957 as Document No. 956543 in Book 1553 of Records on page 75; Thence South, along a line drawn parallel to and 10.0 feet West of the East line of said Lot 2, a distance of 264.0 feet to the South line of said Government Lot 1; Thence West, along the

South line of said Government Lot 1, a distance of 130.0 feet to a point where the West line of Lot 1 in Twin Oaks Subdivision extended South intersects the South line of said Government Lot 1; Thence North, along the West line of Lot 1 extended South and the West line of Lot 1 in Twin Oaks, to the Northwest corner of said Lot 1 in Twin Oaks; said corner being 264.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 264.0 feet North of the South line of said Government Lot 1, a distance of 417.0 feet to a point which is 330.0 feet East of the West line of said Section 5; Thence North, along a line drawn parallel to and 330.0 feet East of the West line of said Section 5, a distance of 264.0 feet, to a point 528.0 feet North of the South line of Government Lot 1; Thence West, along the

West line of said Section 5; Thence North, along the West line of said Section 5, a distance of 2103.92 feet to the Southerly right-of-way line of the abandoned Spur of the Wisconsin Central Railway; said point being 139.28 feet South of the North line of said Fractional Section 5; Thence Southeasterly along the Southerly right-of-way line of the abandoned Spur to the point of intersection with the Southwesterly right-of-way line of the Minneapolis, St. Paul & Sault St. Marie Railroad; (also known as the Soo line); Thence continuing Southeasterly along the Southwesterly right-of-way line of the aforesaid Soo Line, to the point of intersection with the centerline of State Route 21 (Fox River Road); Thence Southerly along the centerline of said State Route 21, to the place of beginning of this description all in the Village of Antioch, Lake County, Illinois.

**ESTIMATE OF COST  
SPECIAL  
ASSESSMENT  
DOCKET NO. 26**

To: The Board of Local Improvements, Village of Antioch, Illinois.

The Board of Local Improvements of the Village of Antioch, Illinois, having originated a scheme for a Local Improvement described as follows to-wit: Providing Storm Sewer, Curb & Gutter, Pavement, Sidewalk, Earth Excavating, Storm Water Detention and Street

Lighting services to Johelia Country Lane Estates and in that part of the Village described as follows:

All that part of Government Lots 1 and 2 in the West half of Fractional Section 5, Township 46 North, Range 10, East of the 3rd Principal Meridian bounded by a line described as follows to-wit: Commencing at the point of intersection of the centerline of State Route 21 (Fox River Road) with a line drawn parallel to and four (4) chains (264 feet) North of the South line of said Government Lot 1; Thence West, along a line drawn parallel to and 264 feet North of the South line of said Government Lot 1, a distance of 797.73 feet to a point 10.0 feet West of the East line of Lot 2 in Twin Oaks Subdivision, a subdivision recorded on July 5, 1957 as Document No. 956543 in Book 1553 of Records on page 75; Thence South, along a line drawn parallel to and 10.0 feet West of the East line of said Lot 2, a distance of 264.0 feet to the South line of said Government Lot 1; Thence West, along the South line of said Government Lot 1, a distance of 130.0 feet to a point where the West line of Lot 1 in

Twin Oaks Subdivision extended South intersects the South line of said Government Lot 1; Thence North, along the West line of Lot 1 extended South and the West line of Lot 1 in Twin Oaks, to the Northwest corner of said Lot 1 in Twin Oaks; said corner being 264.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 264.0 feet North of the South line of said Government Lot 1, a distance of 417.0 feet to a point which is 330.0 feet East of the West line of said Section 5; Thence North, along a line drawn parallel to and 330.0 feet East of the West line of said Section 5, a distance of 264.0 feet, to a point 528.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 528.0 feet

North of the South line of said Government Lot 1, a distance of 330 feet to the West line of said Section 5; Thence North, along the West line of said Section 5, a distance of 2103.92 feet to the Southerly right-of-way line of the abandoned Spur of the Wisconsin Central Railway; said point being 139.28 feet South of the North line of said Fractional Section 5; Thence Southeasterly along the Southerly right-of-way line of the abandoned Spur to the point of intersection with the Southwesterly right-of-way line of the Minneapolis, St. Paul & Sault St. Marie Railroad; (also known as the Soo line); Thence continuing Southeasterly along the Southwesterly right-of-way line of the aforesaid Soo Line, to the point of

intersection with the centerline of State Route 21 (Fox River Road); Thence Southerly along the centerline of said State Route 21, to the place of beginning of this description all in the Village of Antioch, Lake County, Illinois.

All to be constructed as described in greater detail in accordance with the ordinances, regulations, and provisions for materials and further in accordance with the Plans and Specifications for the work. I herewith submit an estimate of cost of said improvement including the cost of labor, materials, machinery and equipment and all other expenses attending the cost of construction of the same and the cost of engineering and inspection and the cost of making and collecting the assessment thereof, as follows, to-wit:

West of the East line of said Lot 2, a distance of 264.0 feet to the South line of said Government Lot 1; Thence West, along the South line of said Government Lot 1, a distance of 130.0 feet to a point where the West line of Lot 1 in Twin Oaks Subdivision extended South intersects the South line of said Government Lot 1; Thence North, along the West line of Lot 1 extended South and the West line of Lot 1 in Twin Oaks, to the Northwest corner of said Lot 1 in Twin Oaks; said corner being 264.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 264.0 feet North of the South line of said Government Lot 1, a distance of 417.0 feet to a point which

is 330.0 feet East of the West line of said Section 5; Thence North, along a line drawn parallel to and 330.0 feet East of the West line of said Section 5, a distance of 264.0 feet, to a point 528.0 feet North of the South line of Government Lot 1; Thence West, along a line drawn parallel to and 528.0 feet North of the South line of said Government Lot 1, a distance of 2103.92 feet to the Southerly right-of-way line of the abandoned Spur of the Wisconsin Central Railway; said point being 139.28 feet South of the North line of said Fractional Section 5;

Thence Southeasterly along the Southerly right-of-way line of the abandoned Spur to the point of intersection with the Southwesterly right-of-way line of the Minneapolis, St. Paul & Sault St. Marie Railroad; (also known as the Soo line); Thence continuing Southeasterly along the Southwesterly right-of-way line of the aforesaid Soo Line, to the point of intersection with the centerline of State Route 21 (Fox River Road); Thence Southerly along the centerline of said State Route 21, to the place of beginning of this description all in the Village of Antioch, Lake County, Illinois.

All that part of Government Lots 1 and 2 in the West half of Fractional Section 5, Township 46 North, Range 10, East of the 3rd Principal Meridian bounded by a line described as follows to-wit: Commencing at the point of intersection of

the centerline of State Route 21 (Fox River Road) with a line drawn parallel with and four (4) chains (264 feet) North of the South line of said Government Lot 1; Thence West, along a line drawn parallel to and 264 feet North of the South line of said Government

Lot 1, a distance of 797.73 feet to a point 10.0 feet West of the East line of Lot 2 in Twin Oaks Subdivision, a subdivision recorded on July 5, 1957 as Document No. 956543 in Book 1553 of Records on page 75; Thence South, along a line drawn parallel to and 10.0 feet

#### —LEGAL— ORDINANCE 79-9-21 AN ORDINANCE PROVIDING FOR A LOCAL IMPROVEMENT TO BE KNOWN AS SPECIAL ASSESSMENT NO. 25 OF THE VILLAGE OF AN- TIOCH, ILLINOIS.

WHEREAS, the Board of Local Improvements of the Village of Antioch, Illinois has held a public hearing on the 4th day of September, 1979, after due notice to the last taxpayers of record, as provided by Statute, has recommended to the President and Board of Trustees of the Village of Antioch, Illinois, that said Special Assessment Project No. 25 be entered into and has submitted a proposed Ordinance to the President and Board of Trustees of the Village of Antioch, Illinois, all with regard to a proposed improvement to be known as Special Assessment Project No. 25 of the Village of Antioch, Illinois, and

WHEREAS, it is in the best interest of the Village of Antioch, Illinois to proceed with such proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS, AS FOLLOWS, TO-WIT:

1. A Local Improvement shall be made in the Village of Antioch, County of Lake, State of Illinois, the nature, character, locality and description of which shall be as follows:

A. The construction of water mains and sanitary sewers to Johelia Country Lane Estates in that part of the Village of Antioch as legally described on Exhibit "A" attached hereto and made a part hereof.

B. All specifications herein referred to are made a part hereof as though fully incorporated herein and are on file in the Office of the Village Clerk and in the Office of the Project Engineers, Northern Illinois Survey Company, 1733 W. Washington Street, Waukegan, Illinois.

C. Blueprints of the plans for said improvement prepared by the engineer of the Project are made a part hereof and are on file in the Office of the Village Clerk and in the Office of the Engineers aforesaid.

D. Wherever herein in the description of the locations of this improvement there is any

duplication of locations, no duplication of the improvement is intended, or shall be made, and the said improvement, shall be constructed in a good and workmanlike manner to conform to the plans and specifications.

E. All materials used in the construction of this improvement not specifically herein described shall be of good quality and suitable for the purpose for which they are to be used.

F. All of the above described improvements shall be constructed under the direction and supervision and to the satisfaction of the Board of Local Improvements of the Village of Antioch, Illinois, and all the necessary labor and work shall be performed in a good and workmanlike manner.

G. Engineering and inspection shall be under the supervision of the Engineer of the Board of Local Improvements of the Village of Antioch, Illinois, and said Engineer shall be under the general supervision of the Board of Local Improvements of the Village of Antioch, Illinois.

2. The Recommendation of the Board of Local Improvements of the Village of Antioch, Illinois, and the Estimate of Cost for the said Project, both hereto attached and made a part hereof, be and the same are hereby approved.

3. The said improvement shall be made and the cost thereof shall be paid for by special assessment; said improvement cost as estimated includes an amount not exceeding seven (7) per centum of the amount of the assessment to apply toward the payment of all lawful costs and expenses incurred in making, levying and collecting the assessments for said improvement.

4. The aggregate amount herein ordered to be assessed and each individual assessment shall be divided into ten installments which shall bear interest at the rate of seven (7) per centum per annum until paid, all in the manner and in accordance with the provisions of Article 9, Division 2 of Chapter 24 of the Illinois Revised Statutes, as amended.

5. For the purpose of anticipating the collection of the second and succeeding installments of said assessment for said improvement, bonds shall be

issued payable out of such installments, bearing interest at the rate of seven (7) per centum per annum, payable annually, and signed by the President of this Village, and attested by its Village Clerk, under the Corporate Seal of this Village, and said bonds shall be issued in accordance with, and shall in all respects conform to the provisions of Article 9, Division 2, of Chapter 24, of the Illinois Revised Statutes, as amended.

6. The attorney for the Board of Local Improvements and for this Special Assessment Project No. 25, JOHN E. SCHULTZ, be and is hereby authorized and directed to file a Petition on behalf of the Village of Antioch, Illinois, in the Circuit Court of the Nineteenth Judicial Circuit, as provided by law, in the name of said Municipality praying that steps be taken to levy a Special Assessment for said improvement, all in accordance with the provisions of this Ordinance and pursuant to the provisions of Article 9, Division 2 of Chapter 24 of the Illinois Revised Statutes, as amended.

7. This Ordinance shall take effect immediately upon its publication, passage and approval as provided by law.

SIGNED this 4th day of September, 1979.

**-LEGAL-  
RESOLUTION  
SPECIAL ASSESSMENT  
NO. 26**

**VILLAGE OF  
ANTIOCH, ILLINOIS**  
WHEREAS, a public hearing was held by the Board of Local Improvements of the Village of Antioch, Illinois, on the 4th day of September, 1979, at 7:30 o'clock P.M. at the Antioch Council Chambers located at 874 Main St., Antioch, Illinois, on the question of the necessity for a proposed local improvement in the Village of Antioch consisting of the

construction of storm sewers, curbs and gutters, pavement, sidewalks, earth excavation, storm water detention and street lighting to Johelia Country Lane Estates in that part of the Village of Antioch as legally described on Exhibit "A" attached hereto and made a part hereof, and as further described in the First Resolution previously passed by this Board on the 20th day of August, 1979, and the Estimate of Cost of said improvement attached thereto, and

WHEREAS, upon proof submitted to this Board, the Board finds that good and sufficient notices of said public hearing were given and mailed as required by law, and

WHEREAS, that at said public hearing one hundred (100%) per cent of the property owners attending were in favor of the construction of said improvement.

NOW, THEREFORE, BE IT RESOLVED by the Board of Local Improvements of the Village of Antioch, Illinois as follows, to-wit:

That the said proposed improvement as originally described in said resolution passed by this Board on the 20th day of August, 1979, and the estimate of the cost of the said improvement and the plans and specifications therefor attached to and made a part thereof, be approved and adhered to and that the Village proceed with such improvement; and that this Board transmit to the governing body of the municipality its recommendation that the proposed improvement be made, together with the ordinance therefor and an estimate of cost thereof as prescribed by law, and this Board hereby approves and adopts the proposed ordinance and estimate of cost.

PASSED this 4th day of September, 1979.

**-LEGAL-  
ORDINANCE 79-9-22  
AN ORDINANCE  
PROVIDING FOR A LOCAL  
IMPROVEMENT TO BE  
KNOWN AS SPECIAL  
ASSESSMENT NO. 26 OF  
THE VILLAGE OF AN-  
TIOCH, ILLINOIS.**

WHEREAS, the Board of Local Improvements of the Village of Antioch, Illinois has held a public hearing on the 4th day of September, 1979, after due notice to the last taxpayers of record, as provided by Statute, has recommended to the President and Board of Trustees of the Village of Antioch, Illinois, that said Special Assessment Project No. 26 be entered into and has submitted a proposed Ordinance to the President and Board of Trustees of the Village of Antioch, Illinois, all with regard to a proposed improvement to be known as Special Assessment Project No. 26 of the Village of Antioch, Illinois, and

WHEREAS, it is in the best interest of the Village of Antioch, Illinois to proceed with such proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS, AS FOLLOWS, TO-WIT:

1. A Local Improvement shall be made in the Village of Antioch, County of Lake, State of Illinois, the nature, character, locality and description of which shall be as follows:

A. The construction of storm sewers, curbs and gutters, pavement, sidewalks, earth excavation, storm water detention and street lighting to Johelia Country Lane Estates in that part of the Village of Antioch as legally described

on Exhibit "A" attached hereto and made a part hereof.

B. All specifications herein referred to are made a part hereof as though fully incorporated herein and are on file in the Office of the Village Clerk and in the Office of the Project Engineers, Northern Illinois Survey Company, 1733 W. Washington Street, Waukegan, Illinois.

C. Blueprints of the plans for said improvement prepared by the engineer of the Project are made a part hereof and are on file in the Office of the Village Clerk and in the Office of the Engineers aforesaid.

D. Wherever herein in the description of the locations of this improvement there is any duplication of locations, no duplication of the improvement is intended, or shall be made, and the said improvement shall be constructed in a good and workmanlike manner to conform to the plans and specifications.

E. All materials used in the construction of this improvement not specifically herein described shall be of good quality and suitable for the purpose for which they are to be used.

F. All of the above described improvements shall be constructed under the direction and supervision and to the satisfaction of the Board of Local Improvement of the Village of Antioch, Illinois; and all the necessary labor and work shall be performed in a good and workmanlike manner.

G. Engineering and inspection shall be under the supervision of the Engineer of the Board of Local Improvements of the Village of Antioch, and said Engineer shall be under the general supervision of the Board of Local Improvements of the Village of Antioch, Illinois.

2. The Recommendation of the Board of Local Improvements of the Village of Antioch, Illinois, and the Estimate of Cost for the said Project, both hereto attached and made a part hereof, be and the same are hereby approved.

3. The said improvement shall be made and the cost thereof shall be paid for by special assessment; said improvement cost as estimated includes an amount not exceeding seven (7) per centum of the amount of the assessment to apply toward the payment of all lawful costs and expenses incurred in making, levying and collecting the assessments for said improvement.

4. The aggregate amount herein ordered to be assessed and each individual assessment shall be divided into ten installments which shall bear interest at the rate of seven (7) per centum per annum until paid, all in the manner and in accordance with the provisions of Article 9, Division 2 of Chapter 24 of the Illinois Revised Statutes, as amended.

5. For the purpose of anticipating the collection of the second and succeeding installments of said assessment for said improvement, bonds shall be issued payable out of such installments, bearing interest at the rate of seven (7) per

centum per annum, payable annually, and signed by the President of this Village, and attested by its Village Clerk, under the Corporate Seal of this Village, and said bonds shall be issued in accordance with, and shall in all respects conform to the provisions of Article 9, Division 2, of Chapter 24, of the Illinois Revised Statutes, as amended.

6. The attorney for the Board of Local Improvements and for this Special Assessment Project No. 26, JOHN E. SCHULTZ, be and is hereby authorized and directed to file a Petition on behalf of the Village of Antioch, Illinois, in the Circuit Court of the Nineteenth Judicial Circuit, as provided by law, in the name of said Municipality praying that steps be taken to levy a Special Assessment for said improvement, all in accordance with the provisions of this Ordinance and pursuant to the provisions of Article 9, Division 2 of Chapter 24 of the Illinois Revised Statutes, as amended.

7. This Ordinance shall take effect immediately upon its publication, passage and approval as provided by law.

SIGNED this 4th day of September, 1979.

## Names in the NEWS

Kevin G. Anderson, son of retired Air Force Captain and Mrs. R.L. Anderson of 808 Rustic Dr., Lake Villa, has entered his freshman year at the U.S. Air Force Academy in Colorado Springs, Colo.

Cadet Anderson is one of more than 1,400 freshmen who were officially accepted into the cadet wing after

completing six weeks of intensive field training, physical conditioning and survival instruction.

Located eight miles north of Colorado Springs, and occupying 18,000 acres of mesas and valleys at the foot of the Rocky Mountains, the academy specializes in both military affairs and scientific technology.

Cadet Anderson begins four years of academic study and military training that will lead to a bachelor of science degree and a commission as a second lieutenant in the U.S. Air Force.

He is a 1979 graduate of Antioch Community High School.

TERRY KOROM

## Korom named head teller

Terry Korom has been promoted to head teller at Antioch Savings and Loan Assn.

Mrs. Korom is a life long resident of Antioch and attended both Emmons Grade School and Antioch High School. Additionally, she has completed courses at the College of Lake County and the American Institute of Banking.

She has been with Antioch Savings and Loan Assn. for one and one-half years and says she likes her new responsibilities.

Currently Terry and her husband Lou are finishing their new home in Antioch.

## ADMINISTRATORS

Grass Lake School District administrators are Richard Hogan, superintendent, Raymond Liss, junior high principal and language arts, Jeanne Quinlivan, secretary and Bernice Keefer, bookkeeper.

## D.W.I.

A Georgia man, Johnny Bridges, 32, was arrested for driving while intoxicated, reckless driving and open transportation of liquor. Bridges posted bond and a court date is pending in Fox Lake Circuit Court.

## Memory Lane

## THEN and NOW

1979 marks the 75th ANNIVERSARY of the TEABAG

The teabag was accidentally invented in 1904 when a tea merchant sent out samples in little silk bags.
